SACHI A. HAMAI
EXECUTIVE OFFICER

**ISSUANCE AND SALE OF
LITTLE LAKE CITY SCHOOL DISTRICT
ELECTION OF 2000 GENERAL OBLIGATION BONDS, SERIES D
(FIRST DISTRICT) (3 VOTES)**

SUBJECT

The governing board of the Little Lake City School District (the "District") has requested that the County issue general obligation bonds on its behalf in an aggregate principal amount not to exceed \$9,000,000. The bonds were authorized by a vote of the qualified electors of the District and will be issued to finance capital improvements to various school facilities. Repayment of the bonds will be funded from the proceeds of ad valorem taxes levied on all taxable property within the District.

IT IS RECOMMENDED THAT YOUR BOARD:

Adopt the resolution authorizing the issuance and sale of the Little Lake City School District (Los Angeles County, California) Election of 2000 General Obligation Bonds, Series D, in an aggregate principal amount not to exceed \$9,000,000.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

On March 7, 2000, voters residing in the District approved a ballot measure authorizing the District to issue up to \$34,000,000 in general obligation bonds to fund various capital improvements. The governing board of the District adopted a resolution on April 27, 2010 and determined that the District needs to borrow funds in an aggregate principal amount not to exceed \$9,000,000 to be used

for authorized purposes. This will be the fourth issuance of bonds authorized under this ballot proposition.

Pursuant to Section 15100 et seq. of the California Education Code, the Board of Supervisors is responsible for offering the District's bonds for sale. The bonds are to be issued in the name and on behalf of the District by the County following receipt of the District's resolution requesting such borrowing.

Implementation of Strategic Plan Goals

This action supports the County's Strategic Plan Goal #1: Operational Effectiveness through collaborative actions among County departments and other governmental jurisdictions to provide investment in public school infrastructure within the County.

FISCAL IMPACT/FINANCING

There will be no fiscal impact to the County budget.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

The resolution provides for the issuance of bonds at an interest rate not to exceed the maximum rate permitted by law. The final structure of the bonds will be determined at the time of pricing to achieve the lowest cost of financing within the tax levy limits of the proposition. The term of the bonds will not exceed twenty-five (25) years.

The District is recommending a negotiated sale of the bonds to the underwriter, with participation by the Treasurer and Tax Collector in pricing the bonds. The District has selected RBC Capital Markets as underwriter, and the firm of Stradling Yocca Carlson & Rauth as bond counsel. The Treasurer and Tax Collector will appoint U.S. Bank National Association as paying agent.

The County will annually levy and collect ad valorem taxes for the repayment of the bonds on behalf of the District.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

Not applicable.

CONCLUSION

Upon approval, it is requested that the Executive Officer-Clerk of the Board of Supervisors return two originally executed copies of the adopted resolution to the Treasurer and Tax Collector (Office of Public Finance).

Respectfully submitted,

Upon receipt of such subsidy, the District shall deposit or cause to be deposited any such cash subsidy payments into the Debt Service Fund established under Section 11 hereof.

(b) At least 30 but not more than 45 days prior to the redemption date, such Redemption Notice shall be given by (i) registered or certified mail, postage prepaid, (ii) telephonically confirmed facsimile transmission, or (iii) overnight delivery service, to the Securities Depository.

Neither failure to receive any Redemption Notice nor any defect in any such Redemption Notice so given shall affect the sufficiency of the proceedings for the redemption of the affected Bonds. Each check issued or other transfer of funds made by the Paying Agent for the purpose of redeeming Bonds shall bear or include the CUSIP number identifying, by issue and maturity, the Bonds being redeemed with the proceeds of such check or other transfer.

(v) Partial Redemption of Bonds. Upon the surrender of any Bond redeemed in part only, the Paying Agent shall execute and deliver to the Owner thereof a new Bond or Bonds of like tenor and maturity and of authorized denominations equal in Transfer Amounts to the unredeemed portion of the Bond surrendered. Such partial redemption shall be valid upon payment of the amount required to be paid to such Owner, and the County and the District shall be released and discharged thereupon from all liability to the extent of such payment.

Notice having been given as aforesaid, and the moneys for the redemption (including the interest to the applicable date of redemption) having been set aside in the District's Debt Service Fund, the Bonds to be redeemed shall become due and payable on such date of redemption.

If on such redemption date, money for the redemption of all the Bonds to be redeemed as provided in Section 5(b)(i) and (ii) hereof, together with interest accrued to such redemption date, shall be held by the Paying Agent so as to be available therefor on such redemption date, and if notice of redemption thereof shall have been given as aforesaid, then from and after such redemption

date, interest with respect to the Bonds to be redeemed shall cease to accrue or accrete and become payable. All money held by or on behalf of the Paying Agent for the redemption of Bonds shall be held in trust for the account of the Owners of the Bonds so to be redeemed.

All Bonds paid at maturity or redeemed prior to maturity pursuant to the provisions of this Section 5 shall be cancelled upon surrender thereof and be delivered to or upon the order of the County and the District. All or any portion of a Bond purchased by the County or the District shall be cancelled by the Paying Agent.

(vii) Bonds No Longer Outstanding. When any Bonds (or portions thereof), which have been duly called for redemption prior to maturity under the provisions of this Resolution, or with respect to which irrevocable instructions to call for redemption prior to maturity at the earliest redemption date have been given to the Paying Agent, in form satisfactory to it, and sufficient moneys shall be held by the Paying Agent irrevocably in trust for the payment of the redemption price of such Bonds or portions thereof, and, in the case of Current Interest Bonds, accrued interest with respect thereto to the date fixed for redemption, all as provided in this Resolution, then such Bonds shall no longer be deemed Outstanding and shall be surrendered to the Paying Agent for cancellation.

(c) Book-Entry System.

(i) Election of Book-Entry System. The Bonds shall initially be delivered in the form of a separate single fully-registered bond (which may be typewritten) for each maturity date of such Bonds in an authorized denomination (except for any odd denomination Capital Appreciation Bond). The ownership of each such Bond shall be registered in the bond register in the name of the Nominee, as nominee of the Depository and ownership of the Bonds, or any portion thereof may not thereafter be transferred except as provided in Section 5(c)(i)(4).

With respect to book-entry Bonds, the District and the Paying Agent shall have no responsibility or obligation to any Participant or to any person on behalf of which such a Participant holds an interest in such book-entry Bonds. Without limiting the immediately preceding sentence, the District and the Paying Agent shall have no responsibility or obligation with respect to (i) the accuracy of the records of the Depository, the Nominee, or any Participant with respect to any ownership interest in book-entry Bonds, (ii) the delivery to any Participant or any other person, other than an owner as shown in the bond register, of any notice with respect to book-entry Bonds, including any notice of redemption, (iii) the selection by the Depository and its Participants of the beneficial interests in book-entry Bonds to be prepaid in the event the District redeems the Bonds in part, or (iv) the payment by the Depository or any Participant or any other person, of any amount with respect to Accreted Value, Principal, premium, if any, or interest on the book-entry Bonds. The District and the Paying Agent may treat and consider the person in whose name each book-entry Bond is registered in the bond register as the absolute owner of such book-entry Bond for the purpose of payment of Accreted Value or Principal of and premium and interest on and to such Bond, for the purpose of giving notices of redemption and other matters with respect to such Bond, for the purpose of registering transfers with respect to such Bond, and for all other purposes whatsoever. The Paying Agent shall pay all Accreted Value or Principal of and premium, if any, and interest on the Bonds only to or upon the order of the respective owner, as shown in the bond register, or his respective attorney duly authorized in writing, and all such payments shall be valid and effective to fully satisfy and discharge the District's obligations with respect to payment of Accreted Value or Principal of, and premium, if any, and interest on the Bonds to the extent of the sum or sums so paid. No person

other than an owner, as shown in the bond register, shall receive a certificate evidencing the obligation to make payments of Accreted Value or Principal of, and premium, if any, and interest on the Bonds. Upon delivery by the Depository to the owner and the Paying Agent, of written notice to the effect that the Depository has determined to substitute a new nominee in place of the Nominee, and subject to the provisions herein with respect to the Record Date, the word Nominee in this Resolution shall refer to such nominee of the Depository.

1. Delivery of Letter of Representations. In order to qualify the book-entry Bonds for the Depository's book-entry system, the District and the Paying Agent shall execute and deliver to the Depository a Letter of Representations. The execution and delivery of a Letter of Representations shall not in any way impose upon the District or the Paying Agent any obligation whatsoever with respect to persons having interests in such book-entry Bonds other than the owners, as shown on the bond register. By executing a Letter of Representations, the Paying Agent shall agree to take all action necessary at all times so that the District will be in compliance with all representations of the District in such Letter of Representations. In addition to the execution and delivery of a Letter of Representations, the District shall take such other actions, not inconsistent with this Resolution, as are reasonably necessary to qualify book-entry Bonds for the Depository's book-entry program.

2. Selection of Depository. In the event (i) the Depository determines not to continue to act as securities depository for book-entry Bonds, or (ii) the District determines that continuation of the book-entry system is not in the best interest of the beneficial owners of the Bonds or the District, then the District will discontinue the book-entry system with the Depository. If the District determines to replace the Depository with another qualified securities depository, the District shall prepare or direct the preparation of a new single, separate, fully registered bond for each maturity date of such book-entry Bond, registered in the name of such successor or substitute qualified securities depository or its Nominee as provided in subsection (4) hereof. If the District fails to identify another qualified securities depository to replace the Depository, then the Bonds shall no longer be restricted to being registered in such bond register in the name of the Nominee, but shall be registered in whatever name or names the owners transferring or exchanging such Bonds shall designate, in accordance with the provisions of this Section 5(c).

3. Payments to Depository. Notwithstanding any other provision of this Resolution to the contrary, so long as all outstanding Bonds are held in book-entry and registered in the name of the Nominee, all payments with respect to Accreted Value or Principal of and premium, if any, or interest on the Bonds and all notices with respect to such Bonds shall be made and given, respectively to the Nominees, as provided in the Letter of Representations or as otherwise instructed by the Depository and agreed to by the Paying Agent notwithstanding any inconsistent provisions herein.

4. Transfer of Bonds to Substitute Depository.

(A) The Bonds shall be initially issued as described in this Resolution as may be modified by the Purchase Contract. Registered ownership of such Bonds, or any portions thereof, may not thereafter be transferred except:

(1) to any successor of DTC or its nominee, or of any substitute depository designated pursuant to Section 5(c)(i)(4)(A)(2) (“Substitute Depository”); provided that any successor of DTC or Substitute Depository shall be qualified under any applicable laws to provide the service proposed to be provided by it;

(2) to any Substitute Depository designated by the District, upon (1) the resignation of DTC or its successor (or any Substitute Depository or its successor) from its functions as depository, or (2) a determination by the District that DTC (or its successor) is no longer able to carry out its functions as depository; provided that any such Substitute Depository shall be qualified under any applicable laws to provide the services proposed to be provided by it; or

(3) to any person as provided below, upon (1) the resignation of DTC or its successor (or any Substitute Depository or its successor) from its functions as depository, or (2) a determination by the District that DTC or its successor (or Substitute Depository or its successor) is no longer able to carry out its functions as depository.

(B) In the case of any transfer pursuant to Section 5(c)(i)(4)(A)(1) or (2), upon receipt of all outstanding Bonds by the Paying Agent, together with a written request of the District to the Paying Agent designating the Substitute Depository, a single new Bond, which the District shall prepare or cause to be prepared, shall be executed and delivered for each maturity of Bonds then outstanding, registered in the name of such successor or such Substitute Depository or their Nominees, as the case may be, all as specified in such written request of the District. In the case of any transfer pursuant to Section 5(c)(i)(4)(A)(3), upon receipt of all outstanding Bonds by the Paying Agent, together with a written request of the District to the Paying Agent, new Bonds, which the District shall prepare or cause to be prepared, shall be executed and delivered in such denominations and registered in the names of such persons as are requested in such written request of the District, provided that the Paying Agent shall not be required to deliver such new Bonds within a period of less than sixty (60) days from the date of receipt of such written request from the District.

(C) In the case of a partial redemption or an advance refunding of any Bonds evidencing a portion of the Maturity Value, Conversion Value or Principal maturing in a particular year, DTC or its successor (or any Substitute Depository or its successor) shall make an appropriate notation on such Bonds indicating the date and amounts of such reduction in Maturity Value, Conversion Value or Principal, in form acceptable to the Paying Agent, all in accordance with the Letter of Representations. The Paying Agent shall not be liable for such Depository’s failure to make such notations or errors in making such notations.

(D) The District and the Paying Agent shall be entitled to treat the person in whose name any Bond is registered as the owner thereof for all purposes of this Resolution and any applicable laws, notwithstanding any notice to the contrary received by the Paying Agent or the District; and the District and the Paying Agent shall not have responsibility for transmitting payments to, communicating with, notifying, or otherwise dealing with any beneficial owners of the Bonds. Neither the District nor the Paying Agent shall have any responsibility or obligation, legal or otherwise, to any such beneficial owners or to any other party, including DTC or its successor (or Substitute Depository or its successor), except to

the Owner of any Bonds, and the Paying Agent may rely conclusively on its records as to the identity of the owners of the Bonds.

SECTION 6. Execution of Bonds. The Bonds shall be executed by the Chair of the Board of Supervisors of the County and the Treasurer by their manual or facsimile signatures and countersigned by the manual or facsimile signature of and the seal of the County affixed thereto by the Executive Officer-Clerk of the Board of Supervisors, all in their official capacities. No Bond shall be valid or obligatory for any purpose or shall be entitled to any security or benefit under this Resolution unless and until the certificate of authentication printed on the Bond is signed by the Paying Agent as authenticating agent. Authentication by the Paying Agent shall be conclusive evidence that the Bond so authenticated has been duly issued, signed and delivered under this Resolution and is entitled to the security and benefit of this Resolution.

SECTION 7. Paying Agent; Transfer and Exchange. This County Board does hereby appoint the Treasurer to act as the authenticating agent, bond registrar, transfer agent and paying agent (collectively, the "Paying Agent") for the Bonds. The Treasurer is authorized to contract with any third party to perform the services of Paying Agent under this Resolution.

So long as any of the Bonds remain outstanding, the District will cause the Paying Agent to maintain and keep at its principal office all books and records necessary for the registration, exchange and transfer of the Bonds as provided in this Section. Subject to the provisions of Section 8 below, the person in whose name a Bond is registered on the bond register shall be regarded as the absolute owner of that Bond for all purposes of this Resolution. Payment of or on account of the Principal or Accreted Value of and premium, if any, and interest on any Bond shall be made only to or upon the order of that person; neither the District, the County nor the Paying Agent shall be affected by any notice to the contrary, but the registration may be changed as provided in this Section. All such payments shall be valid and effectual to satisfy and discharge the District's liability upon the Bonds, including interest, to the extent of the amount or amounts so paid.

Any Bond may be exchanged for Bonds of like tenor, maturity and Transfer Amount upon presentation and surrender at the principal office of the Paying Agent, together with a request for exchange signed by the Owner or by a person legally empowered to do so in a form satisfactory to the Paying Agent. A Bond may be transferred on the bond register only upon presentation and surrender of the Bond at the principal office of the Paying Agent together with an assignment executed by the Owner or by a person legally empowered to do so in a form satisfactory to the Paying Agent. Upon exchange or transfer, the Paying Agent shall complete, authenticate and deliver a new Bond or Bonds of like tenor and of any authorized denomination or denominations requested by the Owner equal to the Transfer Amount of the Bond surrendered and bearing or accruing interest at the same rate and maturing on the same date. Capital Appreciation Bonds and Current Interest Bonds may not be exchanged for one another.

If any Bond shall become mutilated, the County, at the expense of the Owner of said Bond, shall execute, and the Paying Agent shall thereupon authenticate and deliver, a new Bond of like series, tenor and Transfer Amount in exchange and substitution for the Bond so mutilated, but only upon surrender to the Paying Agent of the Bond so mutilated. If any Bond issued hereunder shall be lost, destroyed or stolen, evidence of such loss, destruction or theft may be submitted to the Paying Agent and, if such evidence be satisfactory to the Paying Agent and indemnity for the Paying Agent, the County and the District satisfactory to the Paying Agent shall be given by the owner, the County, at the expense of the Bond owner, shall execute, and the Paying Agent shall thereupon authenticate

and deliver, a new Bond of like tenor in lieu of and in substitution for the Bond so lost, destroyed or stolen (or if any such Bond shall have matured or shall have been called for redemption, instead of issuing a substitute Bond the Paying Agent may pay the same without surrender thereof upon receipt of indemnity satisfactory to the Paying Agent). The Paying Agent may require payment of a reasonable fee for each new Bond issued under this paragraph and of the expenses which may be incurred by the County and the Paying Agent.

If manual signatures on behalf of the County are required in connection with an exchange or transfer, the Paying Agent shall undertake the exchange or transfer of Bonds only after the new Bonds are signed by the authorized officers of the County. In all cases of exchanged or transferred Bonds, the County shall sign and the Paying Agent shall authenticate and deliver Bonds in accordance with the provisions of this Resolution. All fees and costs of transfer shall be paid by the requesting party. Those charges may be required to be paid before the procedure is begun for the exchange or transfer. All Bonds issued upon any exchange or transfer shall be valid obligations of the District, evidencing the same debt, and entitled to the same security and benefit under this Resolution as the Bonds surrendered upon that exchange or transfer.

Any Bond surrendered to the Paying Agent for payment, retirement, exchange, replacement or transfer shall be cancelled by the Paying Agent. The District and the County may at any time deliver to the Paying Agent for cancellation any previously authenticated and delivered Bonds that the District and the County may have acquired in any manner whatsoever, and those Bonds shall be promptly cancelled by the Paying Agent. As requested by the County, written reports of the surrender and cancellation of Bonds shall be made to the District and the County by the Paying Agent. The cancelled Bonds shall be retained for two years, then destroyed by the Paying Agent.

Neither the District, the County nor the Paying Agent will be required (a) to issue or transfer any Bonds during a period beginning with the opening of business on the 15th day of the month next preceding any Bond Payment Date or the 15th day preceding any date of selection of Bonds to be redeemed and ending with the close of business on the Bond Payment Date or any day on which the applicable notice of redemption is given or (b) to transfer any Bonds which have been selected or called for redemption in whole or in part.

SECTION 8. Payment. Payment of interest on any Current Interest Bond on any Bond Payment Date shall be made to the person appearing on the registration books of the Paying Agent as the Owner thereof as of the Record Date immediately preceding such Bond Payment Date, such interest to be paid by wire transfer or check mailed to such Owner on the Bond Payment Date at his address as it appears on such registration books or at such other address as he may have filed with the Paying Agent for that purpose on or before the Record Date. The Owner in an aggregate Principal Amount, Conversion Value or Maturity Value of One Million Dollars (\$1,000,000) or more may request in writing to the Paying Agent that such Owner be paid interest by wire transfer to the bank and account number on file with the Paying Agent as of the Record Date. The principal, and redemption premiums, if any, payable on the Current Interest Bonds and the Accreted Value and redemption premiums, if any, on the Capital Appreciation Bonds shall be payable upon maturity or redemption upon surrender at the principal office of the Paying Agent. The interest, Accreted Value, Principal and premiums, if any, on the Bonds shall be payable in lawful money of the United States of America. The Paying Agent is hereby authorized to pay the Bonds when duly presented for payment at maturity, and to cancel all Bonds upon payment thereof. The Bonds are general obligations of the District and do not constitute an obligation of the County except as provided in this

Bond Resolution. No part of any fund of the County is pledged or obligated to the payment of the Bonds.

SECTION 9. Form of Bonds. The Bonds shall be in substantially the following form, allowing those officials executing the Bonds to make the insertions and deletions necessary to conform the Bonds to this Resolution and the Purchase Contract.

PRINCIPAL AMOUNT: _____

The Little Lake City School District (the “District”) in Los Angeles County, California (the “County”), for value received, promises to pay to the Registered Owner (as defined below) named above, or registered assigns, the Principal Amount on the Maturity Date, each as stated above, and interest thereon until the Principal Amount is paid or provided for at the Interest Rate stated above, on January 1 and July 1 of each year (the “Bond Payment Dates”), commencing January 1, 2011. This bond will bear interest from the Bond Payment Date next preceding the date of authentication hereof unless it is authenticated as of a day during the period from the 16th day of the month next preceding any Bond Payment Date to the Bond Payment Date, inclusive, in which event it shall bear interest from such Bond Payment Date, or unless it is authenticated on or before December 15, 2010, in which event it shall bear interest from its Dated Date. Interest on this bond shall be computed on the basis of a 360-day year of twelve 30-day months. Principal and interest are payable in lawful money of the United States of America, without deduction for the paying agent services, to the person in whose name this bond (or, if applicable, one or more predecessor bonds) is registered (the “Registered Owner”) on the register maintained by the Paying Agent, initially U.S. Bank National Association, as agent of the Treasurer and Tax Collector of the Los Angeles County. This bond is one of an authorization of \$_____ of bonds approved for the purpose of raising money for the purposes authorized by the voters of the District at the Election, as defined below; and to pay all necessary legal, financial, engineering and contingent costs in connection therewith under authority of and pursuant to the laws of the State of California, in particular Chapter 1 of Part 10 of Division 1 of Title 1 (commencing with Section 15100 *et seq.*) of the California Education Code, the requisite two-thirds vote of the voters of the District cast at an

election held on March 7, 2000 (the “Election”), upon the question of issuing bonds in the amount of \$34,000,000, the resolution of the Board of Education of the District adopted on April 27, 2010 (the “District Resolution”) and the resolution of the County Board of Supervisors adopted on _____, 2010 (the “Bond Resolution”). This bond and the issue of which this bond is one are payable as to both principal and interest from the proceeds of the levy of *ad valorem* taxes on all property subject to such taxes in the District, which taxes are unlimited as to rate or amount. The bonds of this issue are general obligations of the District and do not constitute an obligation of the County except as provided in the Bond Resolution. No part of any fund of the County is pledged or obligated to the payment of the bonds of this issue.

This bond is exchangeable and transferable for bonds of like tenor, maturity and Transfer Amount (as defined in the Bond Resolution) and in authorized denominations at the principal office of the Paying Agent in Los Angeles, California, by the Registered Owner or by a person legally empowered to do so, in a form satisfactory to the Paying Agent, all subject to the terms, limitations and conditions provided in the Bond Resolution. All fees and costs of transfer shall be paid by the transferor. The District, the County and the Paying Agent may deem and treat the Registered Owner as the absolute owner of this bond for the purpose of receiving payment of or on account of principal or interest and for all other purposes, and neither the District, the County nor the Paying Agent shall be affected by any notice to the contrary.

Neither the District, the County nor the Paying Agent will be required (a) to issue or transfer any bond during a period beginning with the opening of business on the 15th day of the month next preceding either any Bond Payment Date or the 15th day preceding any date of selection of bonds to be redeemed and ending with the close of business on the Bond Payment Date or day on which the applicable notice of redemption is given or (b) to transfer any bond which has been selected or called for redemption in whole or in part.

The Bonds maturing on or before July 1, 20__ are not subject to redemption prior to their fixed maturity dates. The Current Interest Bonds maturing on or after July 1, 20__ are subject to redemption at the option of the District, as a whole or in part, on any date on or after July 1, 20__, at a redemption price equal to 100% of the principal amount of the Bonds called for redemption, plus interest accrued thereon to the date fixed for redemption, without premium.

[The Bonds are subject to extraordinary mandatory redemption, in whole or in part, on _____, 20__, in authorized denominations, at a redemption price equal to the principal amount of the Bonds called for redemption, in an amount equal to the unexpended proceeds of the sale of the Bonds held by the District, but only to the extent that the District fails to expend all of the proceeds of the Bonds for certain qualified purposes as required by Section 54F of the Internal Revenue Code within three years of issuance thereof and no extension of the period for expenditure has been granted by the Internal Revenue Service.

Upon the occurrence of an Extraordinary Event (as defined below) the Bonds shall be subject to redemption, at the option of the District, prior to their maturity date, in whole or in part, on the date designated by the District, which date shall be a date prior to _____ 1, 20__, at the Make-Whole Redemption Price (defined below).

The “Make-Whole Redemption Price” means the amount equal to the greater of the following:

1. the initial offering price of the Bonds set forth in Exhibit A hereof (but not less than 100% of the principal amount of the Bonds to be prepaid); or

2. the sum of the present value of the remaining scheduled payments of principal and interest with respect to the Bonds to be redeemed to the maturity date of such Bonds, not including any portion of those payments of interest accrued and unpaid as of the date on which the Bonds are to be redeemed, discounted to the date on which the Bonds are to be redeemed on a semiannual basis, assuming a 360-day year containing twelve 30-day months, at the Treasury Rate, plus 100 basis points, plus in each case accrued interest on the Bonds to be redeemed to the redemption date.

For the purpose of determining the Make-Whole Redemption Price, “Treasury Rate” means, with respect to any redemption date for a particular Bond, the yield to maturity as of such redemption date of United States Treasury securities with a constant maturity (as compiled and published in the most recent Federal Reserve Statistical Release H.15 (519) (the “Statistical Release”) that has become publicly available at least two Business Days prior to the redemption date (excluding inflation-indexed securities) (or, if the Statistical Release is no longer published, any publicly available source of similar market data) most nearly equal to the period from the redemption date to the maturity date of the Bonds to be redeemed; provided, however that if the period from the redemption date to the maturity date is less than one year, the weekly average yield on actually traded United States Treasury securities adjusted to a constant maturity of one year shall be used.

The term “Extraordinary Event” means (a) a final determination by the Internal Revenue Service (“IRS”) (after the District has exhausted all administrative appeal remedies) determining that an Accountable Event of Loss of Qualified School Construction Bond Status has occurred and specifying the Date of Loss of Qualified School Construction Bond Status; (b) a non-appealable holding by a court of competent jurisdiction holding that an Accountable Event of Loss of Qualified School Construction Bond Status has occurred and specifying the Date of Loss of Qualified School Construction Bond Status; (c) the occurrence of a material adverse change under Section 54F or 6431 of the Code; (d) the publication by the IRS or the United States Treasury of any guidance with respect to such sections; or (e) any other determination by the IRS or the United States Treasury, which determination is not the result of a failure of the District to satisfy certain requirements of the Resolutions, if as a result of an event as described in (c), (d), or (e) of this sentence, the Direct Subsidy payments expected to be received with respect to the Bonds are eliminated or reduced, as reasonably determined by the Superintendent of the District or his designee, which determination shall be conclusive.

Selection of maturities and the amounts of the Bonds of each maturity to be redeemed shall be determined by the Paying Agent in such equitable manner as it may determine.]

The Bonds maturing on July 1, 20__, are subject to redemption prior to maturity from mandatory sinking fund payments on July 1 of each year, on and after July 1, 20__, at a redemption price equal to the principal amount thereof, together with accrued interest to the date fixed for redemption, without premium. The principal amount represented by such Bonds to be so redeemed and the dates therefor and the final principal payment date are as indicated in the following table:

Redemption Date (<u>July 1</u>)	<u>Principal Amount</u>
TOTAL	
<hr/>	
(1) Maturity	

If less than all of the bonds of any one maturity shall be called for redemption, the particular bonds or portions of bonds of such maturity to be redeemed shall be selected by lot by the District in such manner as the District in its discretion may determine; provided, however, that the portion of any bond to be redeemed shall be in the principal amount of Five Thousand Dollars (\$5,000) or some multiple thereof. If less than all of the bonds stated to mature on different dates shall be called for redemption, the particular bonds or portions thereof to be redeemed shall be called in any order of maturity selected by the District or, if not so selected, in the inverse order of maturity.

Reference is made to the Bond Resolution for a more complete description of the provisions, among others, with respect to the nature and extent of the security for the bonds of this series, the rights, duties and obligations of the District, the County, the Paying Agent and the Registered Owners, and the terms and conditions upon which the bonds are issued and secured. the registered Owner of this bond assents, by acceptance hereof, to all of the provisions of the Bond Resolution.

It is certified and recited that all acts and conditions required by the Constitution and laws of the State of California to exist, to occur and to be performed or to have been met precedent to and in the issuing of the bonds in order to make them legal, valid and binding general obligations of the District, have been performed and have been met in regular and due form as required by law; that payment in full for the bonds has been received; and that due provision has been made for levying and collecting *ad valorem* property taxes on all of the taxable property within the District in an amount sufficient to pay principal and interest when due.

This bond shall not be valid or obligatory for any purpose and shall not be entitled to any security or benefit under the Bond Resolution until the Certificate of Authentication below has been signed.

Except as required below to satisfy the requirements of the Code, interest earned on the investment of monies held in the Debt Service Fund shall be retained in the Debt Service Fund and used by the County to pay the Accreted Value or Principal of and interest on the Bonds when due.

SECTION 12. Rebate Fund.

(a) The District shall create and establish a special fund designated the “Little Lake City School District Election of 2000 General Obligation Bonds, Series D Rebate Fund” (the “Rebate Fund”). All amounts at any time on deposit in the Rebate Fund shall be held in trust, to the extent required to satisfy the requirement to make rebate payments to the United States (the “Rebate Requirement”) pursuant to Section 148 of the Code, and the Treasury Regulations promulgated

thereunder (the “Treasury Regulations”). Such amounts shall be free and clear of any lien hereunder and shall be governed by this Section and by the Tax Certificate to be executed by the District.

(b) Within forty-five (45) days of the end of each fifth Bond Year (as such term is defined in the Tax Certificate), (1) the District shall calculate or cause to be calculated with respect to the Bonds the amount that would be considered the “rebate amount” within the meaning of Section 1.148-3 of the Treasury Regulations, using as the “computation date” for this purpose the end of such Bond Year, and (2) the District shall deposit to the Rebate Fund from amounts on deposit in the other funds established hereunder or from other District funds, if and to the extent required, amounts sufficient to cause the balance in the Rebate Fund to be equal to the “rebate amount” so calculated. The District shall not be required to deposit any amount to the Rebate Fund in accordance with the preceding sentence, if the amount on deposit in the Rebate Fund prior to the deposit required to be made under this subsection (b) equals or exceeds the “rebate amount” calculated in accordance with the preceding sentence. Such excess may be withdrawn from the Rebate Fund to the extent permitted under subsection (g) of this Section. The District shall not be required to calculate the “rebate amount” and shall not be required to deposit any amount to the Rebate Fund in accordance with this subsection (b), with respect to all or a portion of the proceeds of the Bonds (including amounts treated as proceeds of the Bonds) (1) to the extent such proceeds satisfy the expenditure requirements of Section 148(f)(4)(B) or Section 148(f)(4)(C) of the Code or Section 1.148-7(d) of the Treasury Regulations, whichever is applicable, and otherwise qualify for the exception to the Rebate Requirement pursuant to whichever of said sections is applicable, (2) to the extent such proceeds are subject to an election by the District under Section 148(f)(4)(C)(vii) of the Code to pay a one and one-half percent (1½%) penalty in lieu of arbitrage rebate in the event any of the percentage expenditure requirements of Section 148(f)(4)(C) are not satisfied, or (3) to the extent such proceeds qualify for the exception to arbitrage rebate under Section 148(f)(4)(A)(ii) of the Code for amounts in a “bona fide debt service fund.” In such event, and with respect to such amounts, the District shall not be required to deposit any amount to the Rebate Fund in accordance with this subsection (b).

(c) Any funds remaining in the Rebate Fund after redemption of all the Bonds and any amounts described in paragraph (2) of subsection (d) of this Section, or provision made therefor satisfactory to the District, including accrued interest, shall be remitted to the District.

(d) Subject to the exceptions contained in subsection (b) of this Section to the requirement to calculate the “rebate amount” and make deposits to the Rebate Fund, the District shall pay to the United States, from amounts on deposit in the Rebate Fund,

(1) not later than sixty (60) days after the end of (i) the fifth (5th) Bond Year, and (ii) each fifth (5th) Bond Year thereafter, an amount that, together with all previous rebate payments, is equal to at least 90% of the “rebate amount” calculated as of the end of such Bond Year in accordance with Section 1.148-3 of the Treasury Regulations; and

(2) not later than sixty (60) days after the payment of all Bonds, an amount equal to one hundred percent (100%) of the “rebate amount” calculated as of the date of such payment (and any income attributable to the “rebate amount” determined to be due and payable) in accordance with Section 1.148-3 of the Treasury Regulations.

(e) In the event that, prior to the time any payment is required to be made from the Rebate Fund, the amount in the Rebate Fund is not sufficient to make such payment when such payment is due, the District shall calculate (or have calculated) the amount of such deficiency and

deposit an amount equal to such deficiency into the Rebate Fund prior to the time such payment is due.

(f) Each payment required to be made pursuant to subsection (d) of this Section shall be made to the Internal Revenue Service Center, Ogden, Utah 84201, on or before the date on which such payment is due, and shall be accompanied by Internal Revenue Service Form 8038-T, such form to be prepared or caused to be prepared by the District.

(g) In the event that immediately following the calculation required by subsection (b) of this Section, but prior to any deposit made under said subsection, the amount on deposit in the Rebate Fund exceeds the "rebate amount" calculated in accordance with said subsection, the District may withdraw the excess from the Rebate Fund and credit such excess to the Debt Service Fund.

(h) The District shall retain records of all determinations made hereunder until six years after the complete retirement of the Bonds.

(i) Notwithstanding anything in this Resolution to the contrary, the rebate requirement shall survive the payment in full or defeasance of the Bonds.

SECTION 13. Security for the Bonds. There shall be levied on all the taxable property in the District, in addition to all other taxes, a continuing direct *ad valorem* tax annually during the period the Bonds are outstanding in an amount sufficient to pay the principal of and interest on the Bonds when due, which moneys when collected will be placed in the Debt Service Fund of the District, from which fund payment of the principal and Accreted Value of and interest on the Bonds will be made when and as the same fall due.

SECTION 14. Arbitrage Covenant. The County acknowledges that the District has covenanted that it will restrict the use of the proceeds of the Bonds in such manner and to such extent, if any, as may be necessary, so that the Bonds will not constitute arbitrage bonds under Section 148 of the Code and the applicable regulations prescribed under that Section or any predecessor section. Calculations for determining arbitrage requirements are the sole responsibility of the District.

SECTION 15. Conditions Precedent. Based in part on representations of the District, this County Board determines that all acts and conditions required by the Constitution and laws of the State of California to exist, to occur and to be performed or to have been met precedent to and in the issuing of the Bonds in order to make them legal, valid and binding general obligations of the District have been performed and have been met, or will at the time of delivery of the Bonds have been performed and have been met, in regular and due form as required by law.

SECTION 16. Insurance. In the event the District purchases bond insurance for the Bonds, and to the extent that the Bond Insurer makes payment of the principal, interest or Accreted Value on the Bonds, it shall become the owner of such Bonds with the right to payment of principal, interest or Accreted Value on the Bonds, and shall be fully subrogated to all of the Owners' rights, including the Owners' rights to payment thereof. To evidence such subrogation (i) in the case of subrogation as to claims that were past due interest components, the Paying Agent shall note the Bond Insurer's rights as subrogee on the registration books for the Bonds maintained by the Paying Agent upon receipt of a copy of the cancelled check issued by the Bond Insurer for the payment of such interest to the Owners of the Bonds, and (ii) in the case of subrogation as to claims for past due Principal or

Accreted Value, the Paying Agent shall note the Bond Insurer as subrogee on the registration books for the Bonds maintained by the Paying Agent upon surrender of the Bonds by the Owners thereof to the Bond Insurer or the insurance trustee for the Bond Insurer.

SECTION 17. Defeasance. All or any portion of the outstanding maturities of the Bonds may be defeased prior to maturity in the following ways:

(a) Cash: by irrevocably depositing with the County or with an independent escrow agent selected by the District, and satisfactory to the County, an amount of cash which together with amounts then on deposit in the Debt Service Fund (as defined herein) is sufficient to pay all Bonds outstanding and designated for defeasance, including all principal, Maturity Value, Conversion Value and interest and premium, if any; or

(b) Government Obligations: by irrevocably depositing with the County or with an independent escrow agent selected by the District, and satisfactory to the County, noncallable Government Obligations together with cash, if required, in such amount as will, in the opinion of an independent certified public accountant, satisfactory to the County, together with interest to accrue thereon and moneys then on deposit in the Debt Service Fund together with the interest to accrue thereon, be fully sufficient to pay and discharge all Bonds outstanding and designated for defeasance (including all principal, Maturity Value, Conversion Value and interest represented thereby and prepayment premiums, if any) at or before their maturity date;

then, notwithstanding that any of such Bonds shall not have been surrendered for payment, all obligations of the District and the County with respect to all such designated outstanding Bonds shall cease and terminate, except only the obligation of the County and the Paying Agent or an independent escrow agent selected by the District, and satisfactory to the County, to pay or cause to be paid from funds deposited pursuant to paragraphs (a) or (b) of this Section, to the owners of such designated Bonds not so surrendered and paid all sums due with respect thereto.

For purposes of this Section, “Government Obligations” shall mean:

Direct and general obligations of the United States of America (which may consist of obligations of the Resolution Funding Corporation that constitute interest strips), or obligations that are unconditionally guaranteed as to principal and interest by the United States of America, or “prerefunded” municipal obligations rated in the highest rating category by Moody’s Investors Service or Standard & Poor’s. In the case of direct and general obligations of the United States of America, Government Obligations shall include evidences of direct ownership of proportionate interests in future interest or principal payments of such obligations. Investments in such proportionate interests must be limited to circumstances where (a) a bank or trust company acts as custodian and holds the underlying United States obligations; (b) the owner of the investment is the real party in interest and has the right to proceed directly and individually against the obligor of the underlying United States obligations; and (c) the underlying United States obligations are held in a special account, segregated from the custodian’s general assets, and are not available to satisfy any claim of the custodian, any person claiming through the custodian, or any person to whom the custodian may be obligated; provided that such obligations are rated or assessed “AAA” by Standard & Poor’s or “Aaa” by Moody’s Investors Service.

SECTION 18. Amendments. (a) The County may from time to time (which may be at the request of the District, made in writing), and at any time, without notice to or consent of any of the Owners, by action of the County Board, amend the provisions of this Resolution for any of the following reasons:

(1) to cure any ambiguity, to correct or supplement any provision herein which may be inconsistent with any other provision herein or therein, or to make any other provision with respect to matters or questions arising under this Resolution, provided that such action shall not adversely affect the interests of the Bond owners;

(2) to add to the covenants and agreements of and the limitations and the restrictions upon the District contained in this Resolution which are not contrary to or inconsistent with this Resolution as theretofore in effect; and

(3) to modify, alter, amend or supplement this Resolution in any other respect which is not materially adverse to the Bond owners.

In the event of any such amendment, the County shall promptly provide the District and the paying agent with copies of such amendment and the action of the County Board approving such amendment.

(b) Notwithstanding any other provision herein, the provisions of this Resolution as they relate to the terms of the Bonds may be amended by the Purchase Contract.

SECTION 19. Other Actions. Officers of the Board and County officials and staff are hereby authorized and directed, jointly and severally, to do any and all things and to execute and deliver any and all documents which they may deem necessary or advisable in order to proceed with the issuance of the Bonds and otherwise carry out, give effect to and comply with the terms and intent of this Resolution. Such actions heretofore taken by such officers, officials and staff are hereby ratified, confirmed and approved.

This Board further rescinds the Prior Resolution.

SECTION 20. Continuing Disclosure. The District has covenanted and agreed that it will comply with and carry out all of the provisions of the Continuing Disclosure Certificate. Any Bondholder may take such actions as may be necessary and appropriate, including seeking mandate or specific performance by court order, to cause the District to comply with its obligations under this Section.

SECTION 21. Unclaimed Funds. Notwithstanding any other provisions of this Resolution, any moneys held in any fund created pursuant to this Resolution, or by the Paying Agent in trust, for the payment of the Principal, Conversion Value of Maturity Value of, redemption premium, if any, and interest on the Bonds remaining unclaimed for one year after such Principal, Conversion Value and Maturity Value of all of the Bonds have become due and payable (whether by maturity or upon prior redemption) shall be, after payment in full of the Bonds, transferred to the general fund of the District to be applied in accordance with law; provided, however, that the Paying Agent, before making such payment, shall cause notice to be mailed to the Owners of all Bonds that have not been paid, by first-class mail at the addresses on the Bonds register, postage prepaid, no less than 90 days

prior to the date of such payment. Thereafter, the District shall have all responsibility and liability for the payment of such Bonds.

SECTION 22. Effective Date. This Resolution shall take effect immediately upon its passage.

The foregoing resolution was on the 11th day of May, 2010, adopted by the County Board and ex-officio the governing body of all other special assessment and taxing districts, agencies and authorities for which said Board so acts.

Ladies and Gentlemen:

The undersigned, RBC Capital Markets Corporation (the “Underwriter”), acting on its own behalf and not as a fiduciary agent for you, offers to enter into this Bond Purchase Contract (the “Purchase Contract”) with the County of Los Angeles (the “County”) and the Little Lake City School District (the “District”), which, upon your acceptance hereof, will be binding upon the County, the District and the Underwriter. By execution of this Purchase Contract, the County, the District and the Underwriter acknowledge the terms hereof and recognize that they will be bound by certain of the provisions hereof, and to the extent binding thereupon, acknowledge and agree to such terms. This offer is made subject to the written acceptance of this Purchase Contract by the County and the District and delivery of such acceptance to us at or prior to 11:59 P.M., California Time, on the date hereof.

1. **Purchase and Sale of the Bonds.** Upon the terms and conditions and in reliance upon the representations, warranties and agreements herein set forth, the Underwriter hereby agrees to purchase from the County for reoffering to the public, and the County hereby agrees to sell in the name and on behalf of the District to the Underwriter for such purpose, all (but not less than all) of \$ _____ in aggregate principal amount of the District’s Election of 2000 General Obligation Bonds, Series D-1 (Qualified School Construction Bonds – Direct Payment to District) (Federally Taxable) (the “Bonds”).

The Bonds are being issued as direct payment “qualified school construction bonds” as defined in Section 54A of the Internal Revenue Code of 1986, as amended (the “Code”) and the Hiring Incentives to Restore Employment Act (the “HIRE Act”), which recently implemented changes to certain provisions of the Code permitting the issuance of “qualified school construction bonds” in the form of taxable interest bearing bonds with respect to which the issuer thereof may receive a cash subsidy payment from the United States Treasury on or about each interest payment date for such bond (the “Direct Payment”). The cash subsidy will equal the lesser of (1) the amount of interest payable on the Bonds or (2) the amount of interest that would have been payable on the Bonds if they bore interest at the “credit rate” published by the U.S. Department of the Treasury for qualified tax credit bonds (the “Tax Credit Rate”) for the date the Bonds are sold. The Bonds are subject to redemption as set forth in Exhibit B hereto. [The Tax Credit Rate with respect to the Bonds, as established by U.S. Department of the Treasury on _____, 2010, is ____% per annum.]

The Underwriter shall purchase the Bonds at a price of \$_____ (consisting of the aggregate principal amount of the Bonds of \$_____, [plus original issue premium of \$_____, less an Underwriter’s discount of \$_____, less \$_____ to be retained by the Underwriter and used to pay costs of issuance pursuant to Section 11 hereof]). The District and the County acknowledge that the amount of original issue premium retained by the Underwriter to pay costs of issuance does not constitute Underwriter’s compensation. In the event that following payment of the costs of issuance, the amount retained by the Underwriter exceeds the actual costs, the Underwriter shall remit any remaining amount to the County and the County shall deposit such amount into the District’s Debt Service Fund. In the event the amount retained by the Underwriter for payment of costs of issuance is insufficient to pay costs of issuance, any shortfall shall be paid by the District.

Inasmuch as this purchase and sale represents a negotiated transaction, the County and the District understand, and hereby confirm, that the Underwriter is not acting as a fiduciary of the County or the District, but rather is acting solely in its capacity as Underwriter, for its own account. The undersigned officer of the Underwriter has been duly authorized to execute this Purchase Contract and to act hereunder on behalf of the Underwriter.

2. **The Bonds.** The Bonds shall be dated as of their date of delivery and shall mature on July 1 in the years shown on Exhibit A hereto. Payment of interest on the Bonds shall be payable semiannually on January 1 and July 1 of each year, commencing on July 1, 2010.] Except as otherwise provided for herein, the Bonds shall otherwise be as described in the Preliminary Official Statement (as defined below), and shall be issued and secured pursuant to the provisions of the Resolution of the governing board of the District, adopted on April 27, 2010 (the “District Resolution”), and the Resolution of the Board of Supervisors of the County adopted on _____, 2010 (the “County Resolution” and, collectively with the District Resolution, the “Resolutions”), this Purchase Contract, Article XIII A of the California Constitution and Section 15100, *et seq.*, as amended, of the California Education Code (the “Act”). The Paying Agent for the Bonds, as designated by the County Resolution, shall be the Treasurer and Tax Collector of the County of Los Angeles (the “Paying Agent”).

The Bonds shall be executed and delivered under and in accordance with the provisions of this Purchase Contract and the Resolutions. The Bonds will initially be issued in

denominations of \$5,000 and integral multiples thereof. The Bonds shall be in book-entry form, shall bear CUSIP numbers, shall be in fully registered form, registered in the name of Cede & Co., as nominee of The Depository Trust Company, New York, New York ("DTC"). [The payment of principal of and interest (but not any redemption premium) on the Bonds shall be secured by a financial guaranty insurance policy (the "Insurance Policy"), to be issued simultaneously with the issuance of the Bonds by _____ (the "Insurer").]

3. **Use of Documents.** The County and the District hereby authorize the Underwriter to use, in connection with the offering and sale of the Bonds, this Purchase Contract, the Official Statement (as defined below), the District Resolution, the County Resolution, and all information contained herein and therein and all of the documents, certificates or statements furnished by the County or the District to the Underwriter in connection with the transactions contemplated by this Purchase Contract.

4. **Public Offering of the Bonds.** The Underwriter agrees to make a *bona fide* public offering of all the Bonds at the initial public offering prices or yields to be set forth on the cover or inside cover page of the Official Statement (defined below), and may subsequently change such offering prices without any requirement of prior notice. The Underwriter may offer and sell Bonds to certain dealers (including dealers depositing Bonds into investment trusts) and others at prices lower than the public offering prices stated in the Official Statement. [The Underwriter agrees to provide reoffering price data respecting the Bonds to Bond Counsel (as defined below) as Bond Counsel may require, in connection with the Closing (as defined below).]

5. **Official Statement.** The District has caused to be drafted and consents to the use of a Preliminary Official Statement, dated _____, 2010 (the "Preliminary Official Statement"), including the cover page, inside cover page and Appendices thereto, relating to the Bonds. The District represents that it deems the Preliminary Official Statement to be final as of its date, except for either revision or addition of the offering price(s), interest rate(s), yield(s) to maturity, selling compensation, aggregate principal amount, principal amount per maturity, delivery date, rating(s) and other terms of the Bonds which depend upon the foregoing as provided in and pursuant to Rule 15c2-12 of the Securities and Exchange Commission under the Securities and Exchange Act of 1934, as amended (the "Rule"). The Preliminary Official Statement has been prepared for use by the Underwriter in connection with the public offering, sale and distribution of the Bonds.

The District hereby authorizes the preparation of a final Official Statement respecting the Bonds following the execution hereof (the "Official Statement") and the District hereby authorizes the use thereof by the Underwriter in connection with the public offering and sale of the Bonds. The District shall provide, or cause to be provided, to the Underwriter as soon as practicable after the date of the District's acceptance of this Purchase Contract (but in any event, not later than seven business days after the execution hereof, and in sufficient time to accompany any confirmation of the sale of the Bonds) copies of the Official Statement, which is complete as of the date of its delivery to the Underwriter, in such reasonable quantities and in electronic format as the Underwriter shall request in order to comply with Section (b)(4) of the Rule and the rules of the Municipal Securities Rulemaking Board (the "MSRB"). The Underwriter hereby agrees to file the Official Statement with the MSRB.

The Underwriter agrees that prior to the time the Official Statement relating to the Bonds is available, the Underwriter will send to any potential purchaser of the Bonds, upon the request of such potential purchaser, a copy of the Preliminary Official Statement. Such Preliminary Official Statement shall be sent by first class mail or electronic distribution (or other equally prompt means) not later than the first business day following the date upon which each such request is received.

During the period ending on the 25th day after the End of the Underwriting Period (as defined below) (or such other period as may be agreed to by the District and the Underwriter), the District (i) shall not supplement or amend the Official Statement or cause the Official Statement to be supplemented or amended without the prior written consent of the Underwriter and (ii) shall notify the Underwriter promptly if any event shall occur, or information comes to the attention of the District, that is reasonably likely to cause the Official Statement (whether or not previously supplemented or amended) to contain any untrue statement of a material fact or to omit to state a material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading. If, in the opinion of the Underwriter, such event requires the preparation and distribution of a supplement or amendment to the Official Statement, the District shall prepare and furnish to the Underwriter, at the District's expense, such number of copies of the supplement or amendment to the Official Statement, in form and substance mutually agreed upon by the District and the Underwriter, as the Underwriter may reasonably request. If such notification shall be given subsequent to the Closing, the District also shall furnish, or cause to be furnished, such additional legal opinions, certificates, instruments and other documents as the Underwriter may reasonably deem necessary to evidence the truth and accuracy of any such supplement or amendment to the Official Statement.

For purposes of this Purchase Contract:

The "End of the Underwriting Period" is used as defined in Rule 15c2-12 and shall occur on the later of (a) the date of Closing or (b) when the Underwriter no longer retains an unsold balance of the Bonds; unless otherwise advised in writing by the Underwriter on or prior to the Closing Date, or otherwise agreed to by the District, the Underwriter and the County, the District may assume that the End of the Underwriting Period is the Closing Date.

The Underwriter hereby agrees to file the Official Statement with the MSRB. Unless otherwise notified in writing by the Underwriter, the County and the District may assume that the "end of the underwriting period" is the date of the Closing.

Both the Preliminary Official Statement and the Official Statement may include an offering of the District's Election of 2000 General Obligation Bonds, Series D (Tax-Exempt).

6. **Closing.** At 9:00 a.m., California Time, on _____, 2010, or at such other time or on such other date as shall have been mutually agreed upon by the County, the District and the Underwriter (the "Closing"), the County will deliver to the Underwriter, at the offices of DTC, or at such other place as the parties may mutually agree upon, the Bonds in book-entry

form, duly executed and registered as provided in Section 2 above, together with the other documents hereinafter mentioned; and the Underwriter will accept such delivery and pay the purchase price thereof in immediately available funds by wire transfer to an account or accounts within the United States designated by the County. [The Underwriter will retain original issue premium in order to pay or provide for payment of the costs of issuance of the Bonds.]

7. **Representations, Warranties and Agreements of the District.** The District hereby represents, warrants and agrees with the Underwriter that:

A. The District is a school district duly organized and validly existing under the laws of the State of California, with the full legal right, power and authority to (i) request the County to issue the Bonds pursuant to the Act; (ii) enter into, execute and deliver this Purchase Contract and the Continuing Disclosure Certificate appended to the Official Statement (the “Continuing Disclosure Certificate”); (iii) to adopt the District Resolution; and (iv) construct, reconstruct, rehabilitate or replace school facilities, or acquire or lease real property for school facilities, subject to the limitations set forth in the full text of the projects list as described in the Official Statement with the proceeds of the sale of the Bonds.

B. (i) At or prior to the Closing, the District will have taken all action required to be taken by it to authorize the issuance and delivery of the Bonds; (ii) the District has the legal right, power and authority to enter into this Purchase Contract, to adopt the District Resolution, to perform its obligations under each such document or instrument, and to carry out and effectuate the transactions contemplated by this Purchase Contract, the District Resolution, the [Filing Agent Agreement] and the Continuing Disclosure Certificate (collectively, the “District Documents”); (iii) the execution and delivery or adoption of, and the performance by the District of the obligations contained in the Bonds and the District Documents have been duly authorized and such authorization shall be in force and effect at the time of the Closing; (iv) the District Documents constitute valid and legally binding obligations of the District enforceable in accordance with their respective terms, subject to bankruptcy, insolvency, reorganization, moratorium and other similar laws and to principles of equity relating to or affecting the enforcement of creditors’ rights; and (v) the District has duly authorized the consummation by it of all transactions contemplated by this Purchase Contract and by the Official Statement.

C. Other than those already obtained, given, filed or made, no consent, approval, authorization, order, filing, registration, qualification, election or referendum, of or by any person, organization, court or governmental agency or public body whatsoever is required in connection with the issuance, delivery or sale of the Bonds or the consummation of the other transactions effected or contemplated herein or hereby, except for such actions which may qualify the Bonds for offer and sale under Blue Sky or other securities laws and regulations of such states and jurisdictions of the United States as the Underwriter may reasonably request or which have not been taken or obtained; provided, however,

that the District shall not be required to subject itself to service of process in any jurisdiction in which it is not so subject as of the date hereof.

D. The District has complied with the requirements of the Internal Revenue Code of 1986, as amended, applicable to the Bonds.

E. To the best knowledge of the District, the issuance of the Bonds, and the execution, delivery and performance of the District Documents, and the compliance with the provisions thereof and hereof do not conflict with or constitute on the part of the District a violation of or default under, the Constitution of the State of California or any existing law, charter, ordinance, regulation, decree, order or resolution and do not conflict with or result in a violation or breach of, or constitute a default under, any agreement, indenture, mortgage, lease or other instrument to which the District is a party or by which it is bound or to which it is subject.

F. Other than as described in the Preliminary Official Statement, as of the time of acceptance hereof no action, suit, hearing or investigation is pending or, to the best knowledge of the District, threatened: (i) in any way affecting the existence of the District or in any way challenging the respective powers of the Authorized Officers of the District, as defined in the District Resolution; or (ii) seeking to restrain or enjoin the sale, issuance or delivery of the Bonds, the application of the proceeds of the sale of the Bonds, or the collection of tax revenues available to pay the principal of and interest on the Bonds, or in any way contesting or affecting the validity or enforceability of the Bonds, this Purchase Contract, the Filing Agent Agreement or the District Resolution or contesting the powers of the District or its authority with respect to the Bonds, this Purchase Contract, the Filing Agent Agreement or the District Resolution; or (iii) in which a final adverse decision could (a) materially adversely affect the operations of the District or the consummation of the transactions contemplated by this Purchase Contract, the Filing Agent Agreement or the District Resolution, (b) declare this Purchase Contract to be invalid or unenforceable in whole or in material part, or (c) adversely affect the exclusion of the interest paid on the Bonds from gross income for federal income tax purposes or the exemption of such interest from California personal income taxation.

G. Between the date hereof and the Closing, without the prior written consent of the Underwriter, neither the District nor the County in the name and on behalf of the District, will issue in the name and on behalf of the District, any bonds, notes or other obligations for borrowed money except for such borrowings as may be described in or contemplated by the Official Statement.

H. Any certificates signed by any officer of the District and delivered to the Underwriter shall be deemed a representation and warranty by the District to the Underwriter, but not by the person signing the same, as to the statements made therein.

I. With respect to any certificates by the District pursuant to Section 42131 of the Education Code of the State, the District has not received, and for the next reporting period does not expect to receive, a qualified or negative certification from the County Superintendent of Schools.

J. In accordance with the requirements of the Rule, the District will enter into the Continuing Disclosure Certificate, upon or prior to the sale of the Bonds, in which the District will undertake, for the benefit of the Owners of the Bonds, to provide certain information as set forth therein. Other than as described in the Preliminary Official Statement, the District is not in default with respect to any continuing disclosure obligation it may have incurred prior to the date hereof in connection with the delivery or issuance of any debt instruments, bonds, notes or lease-purchase obligations.

K. The District will furnish such information and execute such instruments and take such action in cooperation with the Underwriter as the Underwriter may reasonably request in order to qualify the Bonds for offering and sale under the Blue Sky or other securities laws and regulations of such states and other jurisdictions in the United States as the Underwriter may designate and determine the eligibility of the Bonds for investment under the laws of such states and other jurisdictions and to continue such qualifications in effect so long as may be required for the distribution of the Bonds (provided, however, that the District will not be required to qualify as a foreign corporation or to file any general or special consent to service of process under the laws of any jurisdiction).

L. The District agrees to apply the proceeds from the sale of the Bonds for the purposes specified in the Resolutions, the purposes specifically designated in its official project list approved by the electorate of the District on March 7, 2000, and the purposes permitted for Qualified School Construction Bonds under Section 54A of the Code.

M. The Preliminary Official Statement did not, and the Official Statement will not, as of its date (excluding therefrom information relating to The Depository Trust Company, [the Insurer,] and information provided by the Underwriter) contain any untrue statement of a material fact or omit to state a material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading. If the Official Statement is supplemented or amended, at all times subsequent thereto during the period up to and including the date of Closing, the Official Statement as so supplemented or amended will not contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which made, not misleading.

N. The financial statements of, and other financial information regarding the District, contained in the Official Statement fairly represent the financial position and operating results of the District as of the dates and for the periods set forth

therein. Since the date of the Preliminary Official Statement, there has been no adverse change of a material nature in such financial position, results of operation or condition, financial or otherwise, of the District. The District is not a party to any litigation or other proceeding pending or, to its knowledge, threatened which, if decided adversely to the District, would have a materially adverse effect on the financial condition of the District.

8. **Representations, Warranties and Covenants of the County.** The County represents, warrants and covenants to the Underwriter that:

A. The County has the power under the Constitution and laws of the State to issue the Bonds in the name and on behalf of the District.

B. (i) At or prior to the Closing, the County will have taken all actions required to be taken by it in order to authorize the issuance and delivery of the Bonds; (ii) the County has full legal right, power and authority to enter into this Purchase Contract, to adopt the County Resolution, to issue and deliver the Bonds to the Underwriter on behalf of the District and to perform its obligations under each such document or instrument, and to carry out and effectuate the transactions contemplated by this Purchase Contract and the County Resolution; (iii) the execution and delivery or adoption of, and the performance by the County of its obligations contained in the Bonds, the County Resolution and this Purchase Contract have been duly authorized, and such authorization shall be in full force and effect as at the Closing; and (iv) this Purchase Contract constitutes a valid and legally binding obligation of the County, enforceable against the County in accordance with its terms, subject to bankruptcy, insolvency, reorganization, moratorium and other similar laws and to principles of equity relating to or affecting the enforcement of creditors' rights.

C. To the best knowledge of the County, as of the time of acceptance hereof, no action, suit, proceeding, hearing or investigation is pending in which service of process has been completed against the County; (i) in any way affecting the existence of the County or in any way challenging the respective powers of the several offices or of the titles of the officials of the County to such offices; or (ii) seeking to restrain or enjoin the sale, issuance or delivery of any of the Bonds, or in any way contesting or affecting the validity or enforceability of the Bonds, this Purchase Contract or the County Resolution or contesting the powers of the County or its authority with respect to the Bonds, the County Resolution or this Purchase Contract; or (iii) in which a final adverse decision could (a) materially adversely affect the consummation of the transactions contemplated by this Purchase Contract or the County Resolution or (b) declare this Purchase Contract to be invalid or unenforceable in whole or in material part.

D. Between the date hereof and the Closing, without the prior written consent of the Underwriter, the County will not have issued in the name and on behalf of the District any bonds, notes or other obligations for borrowed money except for

such borrowings as may be described in or contemplated by the Official Statement.

E. Any certificates signed by an authorized officer of the County and delivered to the Underwriter shall be deemed a representation and warranty by the County to the Underwriter, but not by the person signing the same, as to the statements made therein.

9. **Conditions to Closing.** The Underwriter has entered into this Purchase Contract in reliance upon the representations and warranties of the District and the County contained herein and the performance by the District and the County of their respective obligations hereunder and in reliance upon the representations, warranties and agreements to be contained in the documents and instruments to be delivered at the date of Closing. Accordingly, the Underwriter's obligations under this Purchase Contract to purchase, to accept delivery of and to pay for the Bonds are and shall be conditioned upon the performance by the District and the County, respectively, of their obligations to be performed hereunder and under such documents and instruments at or prior to the Closing, and shall also be subject at the option of the Underwriter, to the following further conditions, including the delivery by the District and the County of such documents and instruments as are enumerated below, in form and substance satisfactory to the Underwriter:

A. The representations and warranties of the District and the County contained herein shall be true, complete and correct in all material respects at the date hereof and at and as of the Closing, as if made at and as of the Closing, and the statements made in all certificates and other documents delivered to the Underwriter at the Closing pursuant hereto shall be true, complete and correct in all material respects on the date of the Closing; and the District and the County shall be in compliance with each of the agreements made by them, individually, in this Purchase Contract;

B. At the time of the Closing, (i) the Official Statement, this Purchase Contract and the Resolutions shall be in full force and effect and shall not have been amended, modified or supplemented except as may have been agreed to in writing by the Underwriter (which writing may be by email, telecopy or other electronic means); (ii) all actions under the Act which, in the opinion of Bond Counsel, shall be necessary in connection with the transactions contemplated hereby, shall have been duly taken and shall be in full force and effect; and (iii) the District shall perform or have performed all of its obligations required under or specified in the Resolutions, this Purchase Contract or the Official Statement to be performed at or prior to the Closing;

C. No decision, ruling or finding shall have been entered by any court or governmental authority since the date of this Purchase Contract (and not reversed on appeal or otherwise set aside), or to the best knowledge of the District, pending or threatened, which has any of the effects described in Section 7F hereof, or contesting in any way the completeness or accuracy of the Official Statement;

D. Between the date hereof and the Closing, the market price for the Bonds, or the market for or marketability of the Bonds at the initial offering prices set forth in the Official Statement, or the ability of the Underwriter to enforce contracts for the sale of the Bonds, shall not have been materially adversely affected in the reasonable professional judgment of the Underwriter (evidenced by a written notice to the County and the District terminating the obligation of the Underwriter to accept delivery of and pay for the Bonds) by reason of any of the following:

(1) legislation enacted by the Congress of the United States, or passed by either House of the Congress, or favorably reported for passage to either House of the Congress by any Committee of such House to which such legislation has been referred for consideration, or by the legislature of the State of California (the "State"), or introduced in the Congress or recommended for passage by the President of the United States, or a decision rendered by a court of the United States or the State or by the United States Tax Court, or an order, regulation (final, temporary or proposed) or official statement issued or made:

(4) the imposition by the New York Stock Exchange, other national securities exchange, or any governmental authority, of any material restrictions not now in force with respect to the Bonds, or obligations of the general character of the Bonds, or securities generally, or the material increase of any such restrictions now in force, including those relating to the extension of credit by, or the charge to the net capital requirements of, underwriters such as, and including, the Underwriter;

(5) an order, decree or injunction of any court of competent jurisdiction, or order, regulation or official statement by the Securities and Exchange Commission, or any other governmental agency having jurisdiction over the subject matter thereof, issued or made to the effect that the issuance, offering or sale of obligations of the general character of the Bonds, or the issuance, offering or sale of the Bonds, as contemplated hereby or by the Official Statement, is or would be in violation of the Federal securities laws, as amended and then in effect;

Redemption

Optional Redemption. The Current Interest Bonds maturing on or before [July 1, 20__] are not subject to redemption prior to their fixed maturity dates. The Current Interest Bonds maturing on or after [July 1, 20__] are subject to redemption prior to their respective stated maturity dates, at the option of the District, from any source of funds, in whole or in part, on [July 1, 20__] or on any date thereafter, at a redemption price equal to the principal amount of Current Interest Bonds so redeemed, together with interest accrued thereon to the date fixed for redemption, without premium.

Extraordinary Mandatory Redemption from Unexpended Proceeds. The Bonds are subject to extraordinary mandatory redemption, in whole or in part, on _____, 20__, in authorized denominations, at a redemption price equal to the principal amount of the Bonds called for redemption, in an amount equal to the unexpended proceeds of the sale of the Bonds held by the District, but only to the extent that the District fails to expend all of the proceeds of the Bonds for certain qualified purposes as required by Section 54F of the Internal Revenue Code within three years of issuance thereof and no extension of the period for expenditure has been granted by the Internal Revenue Service.

Extraordinary Optional Redemption. Upon the occurrence of an Extraordinary Event (as defined below) the Bonds shall be subject to redemption, at the option of the District, prior to their maturity date, in whole or in part, on the date designated by the District, which date shall be a date prior to _____ 1, 20__, at the Make-Whole Redemption Price (defined below).

The “Make-Whole Redemption Price” means the amount equal to the greater of the following:

1. the initial offering price of the Bonds set forth in Exhibit A hereof (but not less than 100% of the principal amount of the Bonds to be prepaid); or
2. the sum of the present value of the remaining scheduled payments of principal and interest with respect to the Bonds to be redeemed to the maturity date of such Bonds, not including any portion of those payments of interest accrued and unpaid as of the date on which the Bonds are to be redeemed, discounted to the date on which the Bonds are to be redeemed on a semiannual basis, assuming a 360-day year containing twelve 30-day months, at the Treasury Rate, plus 100 basis points, plus in each case accrued interest on the Bonds to be redeemed to the redemption date.

For the purpose of determining the Make-Whole Redemption Price, “Treasury Rate” means, with respect to any redemption date for a particular Bond, the yield to maturity as of such redemption date of United States Treasury securities with a constant maturity (as compiled and published in the most recent Federal Reserve Statistical Release H.15 (519) (the “Statistical Release”) that has become publicly available at least two Business Days prior to the redemption date (excluding inflation-indexed securities) (or, if the Statistical Release is no

longer published, any publicly available source of similar market data) most nearly equal to the period from the redemption date to the maturity date of the Bonds to be redeemed; provided, however that if the period from the redemption date to the maturity date is less than one year, the weekly average yield on actually traded United States Treasury securities adjusted to a constant maturity of one year shall be used.

The term “Extraordinary Event” means (a) a final determination by the Internal Revenue Service (“IRS”) (after the District has exhausted all administrative appeal remedies) determining that an Accountable Event of Loss of Qualified School Construction Bond Status has occurred and specifying the Date of Loss of Qualified School Construction Bond Status; (b) a non-appealable holding by a court of competent jurisdiction holding that an Accountable Event of Loss of Qualified School Construction Bond Status has occurred and specifying the Date of Loss of Qualified School Construction Bond Status; (c) the occurrence of a material adverse change under Section 54F or 6431 of the Code; (d) the publication by the IRS or the United States Treasury of any guidance with respect to such sections; or (e) any other determination by the IRS or the United States Treasury, which determination is not the result of a failure of the District to satisfy certain requirements of the Resolutions, if as a result of an event as described in (c), (d), or (e) of this sentence, the Direct Subsidy payments expected to be received with respect to the Bonds are eliminated or reduced, as reasonably determined by the Superintendent of the District or his designee, which determination shall be conclusive.

Mandatory Sinking Fund Redemption. The Current Interest Term Bonds maturing on [July 1, 20__,] are subject to redemption prior to maturity from mandatory sinking fund payments on [July 1] of each year, on and after [July 1, 20__,] at a redemption price equal to the principal amount thereof, together with accrued interest to the date fixed for redemption, without premium. The principal amount represented by such Current Interest Term Bonds to be so redeemed and the dates therefor and the final principal payment date is as indicated in the following table:

Redemption Date [July 1]	<u>Principal Amount</u>
-----------------------------	-------------------------

⁽¹⁾ Maturity.

If less than all of the bonds of any one maturity shall be called for redemption, the particular bonds or portions of bonds of such maturity to be redeemed shall be selected by lot by the District in such manner as the District in its discretion may determine; provided, however, that the portion of any bond to be redeemed shall be in the principal amount of Five Thousand Dollars (\$5,000) or some multiple thereof. Re: \$_____ Little Lake City School District (Los Angeles, California) Election of
 2000 General Obligation Bonds, Series D-1 (Qualified School Construction
 Bonds – Direct Payment to District) (Federally Taxable)

Ladies and Gentlemen:

This opinion is rendered and delivered in connection with the issuance by the Board of Supervisors of the County of Los Angeles (the "County") on behalf of the Little Lake City School District (the "District") of \$_____ aggregate principal amount of bonds designated "Little Lake City School District, Los Angeles County, California) Election of 2000 General Obligation Bonds, Series D-1 (Qualified School Construction Bonds – Direct Payment to District) (Federally Taxable) (the "Bonds"). The Bonds are being issued pursuant to a resolution of the Board of Supervisors of the County of Los Angeles, California adopted on _____, 2010 (the "County Resolution"), at the request of the District made pursuant to a resolution adopted by its Board of Education on April 27, 2010 (the "District Resolution").

In rendering this opinion, we have examined the County Resolution, the Bond Purchase Contract, dated _____, 2010 (the "Purchase Contract"), by and among the District, the County and RBC Capital Markets Corporation, as Underwriter, and such other documents, records and instruments and made such investigations of law and fact as we have deemed necessary to render the opinions expressed herein.

Based upon the foregoing, and solely with respect to the laws of the State of California (the "State"), we are of the opinion, as of the date hereof, that:

1. The County is a political subdivision duly organized and validly existing pursuant to the Constitution and the laws of the State of California.

2. The County Resolution approving and authorizing the execution, sale and delivery of the Purchase Contract and the issuance of the Bonds was duly adopted at a meeting of the governing body of the County, which was called and held pursuant to law and with all public notice required by law and at which a quorum was present and acting at the time of adoption, has not been modified, amended, rescinded or revoked and is in full force and effect on the date hereof.

3. To the best of my knowledge, there is no action, suit, proceeding, inquiry or investigation, at law or in equity, before or by any court, governmental agency, public agency or body pending, in which service of process has been completed, or threatened against the County (a) affecting the existence of the County or the titles of its officers who have acted with respect to the proceedings for issuance and sale of the Bonds to their respective offices; (b) seeking to prohibit, restrain or enjoin the execution of the Purchase Contract or the issuance of the Bonds or in any way contesting or affecting the validity or enforceability of the Bonds, the Purchase Contract, or the County Resolution; (c) contesting the powers of the County or its authority to enter into, adopt or perform its obligations under the County Resolution or the Purchase Contract; or (d) seeking to restrain or enjoin the levy or collection of tax revenues pledged for payment of the Bonds.

4. The Purchase Contract has been duly authorized, executed and delivered by the County and the Bonds have been duly authorized by the County, executed by the County on behalf of the District and delivered by the County and, assuming due authorization, execution and delivery by the other parties thereto, the Purchase Contract will constitute the legal, valid and binding agreement of the County enforceable against the County in accordance with its terms.

With respect to the opinions we have expressed above, enforcement of the rights and obligations under the County Resolution, the Purchase Contract and the Bonds may be limited by bankruptcy, insolvency, reorganization, moratorium or other laws affecting the enforcement of creditors' rights generally, by the application of equitable principles if equitable remedies are sought, and by limitations on legal remedies imposed in actions against public entities in the State. We express no opinion as to the availability of equitable remedies in connection with enforcement of the County Resolution, the Purchase Contract or the Bonds.

The Underwriter may offer and sell Bonds to certain dealers (including dealers depositing Bonds into investment trusts) and others at prices lower than the public offering prices stated in the Official Statement.

5. **Official Statement.** The District has caused to be drafted and consents to the use of a Preliminary Official Statement, dated _____, 2010 (the "Preliminary Official Statement"), including the cover page, the inside cover page and Appendices thereto, relating to the Bonds. The District represents that it deems the Preliminary Official Statement to be final as of its date, except for either revision or addition of the offering price(s), interest rate(s), yield(s) to maturity, selling compensation, aggregate principal amount, principal amount per maturity, delivery date, rating(s) and other terms of the Bonds which depend upon the foregoing as provided in and pursuant to Rule 15c2-12 of the Securities and Exchange Commission under the Securities and Exchange Act of 1934, as amended (the "Rule"). The Preliminary Official Statement has been prepared for use by the Underwriter in connection with the public offering, sale and distribution of the Bonds.

The District hereby authorizes the preparation of a final Official Statement respecting the Bonds following the execution hereof (the "Official Statement") and the District hereby authorizes the use thereof by the Underwriter in connection with the public offering and sale of the Bonds. The District shall provide, or cause to be provided, to the Underwriter as soon as practicable after the date of the District's acceptance of this Purchase Contract (but, in any event, not later than seven business days after the execution hereof, and in sufficient time to accompany any confirmation of the sale of the Bonds) copies of the Official Statement, which is complete as of the date of its delivery to the Underwriter, in such reasonable quantities and in electronic format as the Underwriter shall request in order to comply with Section (b)(4) of the Rule and the rules of the Municipal Securities Rulemaking Board (the "MSRB"). The Underwriter hereby agrees to file the Official Statement with the MSRB.

The Underwriter agrees that prior to the time the Official Statement relating to the Bonds is available, the Underwriter will send to any potential purchaser of the Bonds, upon the request of such potential purchaser, a copy of the Preliminary Official Statement. Such Preliminary Official Statement shall be sent by first class mail or electronic distribution (or other equally prompt means) not later than the first business day following the date upon which each such request is received.

During the period ending on the 25th day after the End of the Underwriting Period (as defined below) (or such other period as may be agreed to by the District and the Underwriter), the District (i) shall not supplement or amend the Official Statement or cause the Official Statement to be supplemented or amended without the prior written consent of the Underwriter and (ii) shall notify the Underwriter promptly if any event shall occur, or information comes to the attention of the District, that is reasonably likely to cause the Official Statement (whether or not previously supplemented or amended) to contain any untrue statement

of a material fact or to omit to state a material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading. If, in the opinion of the Underwriter, such event requires the preparation and distribution of a supplement or amendment to the Official Statement, the District shall prepare and furnish to the Underwriter, at the District's expense, such number of copies of the supplement or amendment to the Official Statement, in form and substance mutually agreed upon by the District and the Underwriter, as the Underwriter may reasonably request. If such notification shall be given subsequent to the Closing, the District also shall furnish, or cause to be furnished, such additional legal opinions, certificates, instruments and other documents as the Underwriter may reasonably deem necessary to evidence the truth and accuracy of any such supplement or amendment to the Official Statement.

For purposes of this Purchase Contract:

The "End of the Underwriting Period" is used as defined in Rule 15c2-12 and shall occur on the later of (a) the date of Closing or (b) when the Underwriter no longer retains an unsold balance of the Bonds; unless otherwise advised in writing by the Underwriter on or prior to the Closing Date, or otherwise agreed to by the District, the Underwriter and the County, the District may assume that the End of the Underwriting Period is the Closing Date.

The Underwriter hereby agrees to file the Official Statement with the MSRB. Unless otherwise notified in writing by the Underwriter, the County and the District may assume that the "end of the underwriting period" is the date of the Closing.

Both the Preliminary Official Statement and the Official Statement may include an offering of the District's Election of 2000 General Obligation Bonds, Series D-1 (Qualified School Construction Bonds – Direct Payment to District)(Federally Taxable).

6. **Closing.** At 9:00 a.m., California Time, on _____, 2010, or at such other time or on such other date as shall have been mutually agreed upon by the County, the District and the Underwriter (the "Closing"), the County will deliver to the Underwriter, at the offices of DTC, or at such other place as the parties may mutually agree upon, the Bonds in book-entry form, duly executed and registered as provided in Section 2 above, together with the other documents hereinafter mentioned; and the Underwriter will accept such delivery and pay the purchase price thereof in immediately available funds by wire transfer to an account or accounts within the United States designated by the County. The Underwriter will retain original issue premium in order to pay or provide for payment of the costs of issuance of the Bonds.

7. **Representations, Warranties and Agreements of the District.** The District hereby represents, warrants and agrees with the Underwriter that:

A. The District is a school district duly organized and validly existing under the laws of the State of California, with the full legal right, power and authority to (i) request the County to issue the Bonds pursuant to the Act; (ii) enter into, execute and deliver this Purchase Contract and the Continuing Disclosure Certificate appended to the Official Statement (the "Continuing Disclosure

Certificate”); (iii) to adopt the District Resolution; and (iv) construct, improve or acquire the projects as described in the Official Statement with the proceeds of the sale of the Bonds.

B. (i) At or prior to the Closing, the District will have taken all action required to be taken by it to authorize the issuance and delivery of the Bonds; (ii) the District has the legal right, power and authority to enter into this Purchase Contract, to adopt the District Resolution, to perform its obligations under each such document or instrument, and to carry out and effectuate the transactions contemplated by this Purchase Contract and the District Resolution; (iii) the execution and delivery or adoption of, and the performance by the District of the obligations contained in the Bonds, the Continuing Disclosure Certificate, the District Resolution and this Purchase Contract (collectively, the “District Documents”) have been duly authorized and such authorization shall be in force and effect at the time of the Closing; (iv) the District Documents constitute valid and legally binding obligations of the District enforceable in accordance with their respective terms, subject to bankruptcy, insolvency, reorganization, moratorium and other similar laws and to principles of equity relating to or affecting the enforcement of creditors’ rights; and (v) the District has duly authorized the consummation by it of all transactions contemplated by this Purchase Contract and by the Official Statement.

C. Other than those already obtained, given, filed or made, no consent, approval, authorization, order, filing, registration, qualification, election or referendum, of or by any person, organization, court or governmental agency or public body whatsoever is required in connection with the issuance, delivery or sale of the Bonds or the consummation of the other transactions effected or contemplated herein or hereby, except for such actions which may qualify the Bonds for offer and sale under Blue Sky or other securities laws and regulations of such states and jurisdictions of the United States as the Underwriter may reasonably request or which have not been taken or obtained; provided, however, that the District shall not be required to subject itself to service of process in any jurisdiction in which it is not so subject as of the date hereof.

D. The District has complied with the requirements of the Internal Revenue Code of 1986, as amended, applicable to the Bonds.

E. To the best knowledge of the District, the issuance of the Bonds, and the execution, delivery and performance of the District Documents, and the compliance with the provisions thereof and hereof do not conflict with or constitute on the part of the District a violation of or default under, the Constitution of the State of California or any existing law, charter, ordinance, regulation, decree, order or resolution and do not conflict with or result in a violation or breach of, or constitute a default under, any agreement, indenture, mortgage, lease or other instrument to which the District is a party or by which it is bound or to which it is subject.

F. Other than as described in the Preliminary Official Statement, as of the time of acceptance hereof no action, suit, hearing or investigation is pending or, to the best knowledge of the District, threatened: (i) in any way affecting the existence of the District or in any way challenging the respective powers of the Authorized Officers of the District, as defined in the District Resolution; or (ii) seeking to restrain or enjoin the sale, issuance or delivery of the Bonds, the application of the proceeds of the sale of the Bonds, or the collection of tax revenues available to pay the principal of and interest on the Bonds, or in any way contesting or affecting the validity or enforceability of the Bonds, this Purchase Contract or the District Resolution or contesting the powers of the District or its authority with respect to the Bonds, this Purchase Contract or the District Resolution; or (iii) in which a final adverse decision could (a) materially adversely affect the operations of the District or the consummation of the transactions contemplated by this Purchase Contract or the District Resolution, (b) declare this Purchase Contract to be invalid or unenforceable in whole or in material part, or (c) adversely affect the exclusion of the interest paid on the Bonds from gross income for federal income tax purposes or the exemption of such interest from California personal income taxation.

G. Between the date hereof and the Closing, without the prior written consent of the Underwriter, neither the District nor the County in the name and on behalf of the District, will issue in the name and on behalf of the District, any bonds, notes or other obligations for borrowed money except for such borrowings as may be described in or contemplated by the Official Statement.

H. Any certificates signed by any officer of the District and delivered to the Underwriter shall be deemed a representation and warranty by the District to the Underwriter, but not by the person signing the same, as to the statements made therein.

I. With respect to any certificates by the District pursuant to Section 42131 of the Education Code of the State, the District has not received, and for the next reporting period does not expect to receive, a qualified or negative certification from the County Superintendent of Schools.

J. In accordance with the requirements of the Rule, the District will enter into the Continuing Disclosure Certificate, upon or prior to the sale of the Bonds, in which the District will undertake, for the benefit of the Owners of the Bonds, to provide certain information as set forth therein. Other than as described in the Preliminary Official Statement, the District is not in default with respect to any continuing disclosure obligation it may have incurred prior to the date hereof in connection with the delivery or issuance of any debt instruments, bonds, notes or lease-purchase obligations.

K. The District will furnish such information and execute such instruments and take such action in cooperation with the Underwriter as the Underwriter may reasonably request in order to qualify the Bonds for offering and sale under the Blue Sky or other securities laws and regulations of such states and other

jurisdictions in the United States as the Underwriter may designate and determine the eligibility of the Bonds for investment under the laws of such states and other jurisdictions and to continue such qualifications in effect so long as may be required for the distribution of the Bonds (provided, however, that the District will not be required to qualify as a foreign corporation or to file any general or special consent to service of process under the laws of any jurisdiction).

L. The District agrees to apply the proceeds from the sale of the Bonds for the purposes specified in the Resolutions and the purposes specifically designated in its official project list approved by the electorate of the District on March 7, 2000.

M. The Preliminary Official Statement did not, and the Official Statement will not, as of its date (excluding therefrom information relating to The Depository Trust Company, [the Insurer,] and information provided by the Underwriter) contain any untrue statement of a material fact or omit to state a material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading. If the Official Statement is supplemented or amended, at all times subsequent thereto during the period up to and including the date of Closing, the Official Statement as so supplemented or amended will not contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which made, not misleading.

N. The financial statements of, and other financial information regarding the District, contained in the Official Statement fairly represent the financial position and operating results of the District as of the dates and for the periods set forth therein. Since the date of the Preliminary Official Statement, there has been no adverse change of a material nature in such financial position, results of operation or condition, financial or otherwise, of the District. The District is not a party to any litigation or other proceeding pending or, to its knowledge, threatened which, if decided adversely to the District, would have a materially adverse effect on the financial condition of the District.

8. **Representations, Warranties and Covenants of the County.** The County represents, warrants and covenants to the Underwriter that:

A. The County has the power under the Constitution and laws of the State to issue the Bonds in the name and on behalf of the District.

B. (i) At or prior to the Closing, the County will have taken all actions required to be taken by it in order to authorize the issuance and delivery of the Bonds; (ii) the County has full legal right, power and authority to enter into this Purchase Contract, to adopt the County Resolution, to issue and deliver the Bonds to the Underwriter on behalf of the District and to perform its obligations under each such document or instrument, and to carry out and effectuate the transactions contemplated by this Purchase Contract and the County Resolution; (iii) the

execution and delivery or adoption of, and the performance by the County of its obligations contained in the Bonds, the County Resolution and this Purchase Contract have been duly authorized, and such authorization shall be in full force and effect as at the Closing; and (iv) this Purchase Contract constitutes a valid and legally binding obligation of the County, enforceable against the County in accordance with its terms, subject to bankruptcy, insolvency, reorganization, moratorium and other similar laws and to principles of equity relating to or affecting the enforcement of creditors' rights.

C. To the best knowledge of the County, as of the time of acceptance hereof, no action, suit, proceeding, hearing or investigation is pending in which service of process has been completed or threatened against the County: (i) in any way affecting the existence of the County or in any way challenging the respective powers of the several offices or of the titles of the officials of the County to such offices; or (ii) seeking to restrain or enjoin the sale, issuance or delivery of any of the Bonds, or in any way contesting or affecting the validity or enforceability of the Bonds, this Purchase Contract or the County Resolution or contesting the powers of the County or its authority with respect to the Bonds, the County Resolution or this Purchase Contract; or (iii) in which a final adverse decision could (a) materially adversely affect the consummation of the transactions contemplated by this Purchase Contract or the County Resolution or (b) declare this Purchase Contract to be invalid or unenforceable in whole or in material part.

D. Between the date hereof and the Closing, without the prior written consent of the Underwriter, the County will not issue in the name and on behalf of the District any bonds, notes or other obligations for borrowed money except for such borrowings as may be described in or contemplated by the Official Statement.

E. Any certificates signed by an authorized officer of the County and delivered to the Underwriter shall be deemed a representation and warranty by the County to the Underwriter, but not by the person signing the same, as to the statements made therein.

9. **Conditions to Closing.** The Underwriter has entered into this Purchase Contract in reliance upon the representations and warranties of the District and the County contained herein and the performance by the District and the County of their respective obligations hereunder and in reliance upon the representations, warranties and agreements to be contained in the documents and instruments to be delivered at the date of Closing. Accordingly, the Underwriter's obligations under this Purchase Contract to purchase, to accept delivery of and to pay for the Bonds are and shall be conditioned upon the performance by the District and the County, respectively, of their obligations to be performed hereunder and under such documents and instruments at or prior to the Closing, and shall also be subject at the option of the Underwriter, to the following further conditions, including the delivery by the District and the County of such documents and instruments as are enumerated below, in form and substance satisfactory to the Underwriter:

A. The representations and warranties of the District and the County contained herein shall be true, complete and correct in all material respects at the

date hereof and at and as of the Closing, as if made at and as of the Closing, and the statements made in all certificates and other documents delivered to the Underwriter at the Closing pursuant hereto shall be true, complete and correct in all material respects on the date of the Closing; and the District and the County shall be in compliance with each of the agreements made by them, individually, in this Purchase Contract;

B. At the time of the Closing, (i) the Official Statement, this Purchase Contract and the Resolutions shall be in full force and effect and shall not have been amended, modified or supplemented except as may have been agreed to in writing by the Underwriter (which writing may be by email, telecopy or other electronic means); (ii) all actions under the Act which, in the opinion of Bond Counsel, shall be necessary in connection with the transactions contemplated hereby, shall have been duly taken and shall be in full force and effect; and (iii) the District shall perform or have performed all of its obligations required under or specified in the Resolutions, this Purchase Contract or the Official Statement to be performed at or prior to the Closing;

C. No decision, ruling or finding shall have been entered by any court or governmental authority since the date of this Purchase Contract (and not reversed on appeal or otherwise set aside), or to the best knowledge of the District, pending or threatened, which has any of the effects described in Section 7F hereof, or contesting in any way the completeness or accuracy of the Official Statement;

D. Between the date hereof and the Closing, the market price for the Bonds, or the market for or marketability of the Bonds at the initial offering prices set forth in the Official Statement, or the ability of the Underwriter to enforce contracts for the sale of the Bonds, shall not have been materially adversely affected in the reasonable professional judgment of the Underwriter (evidenced by a written notice to the County and the District terminating the obligation of the Underwriter to accept delivery of and pay for the Bonds) by reason of any of the following:

(1) legislation enacted by the Congress of the United States, or passed by either House of the Congress, or favorably reported for passage to either House of the Congress by any Committee of such House to which such legislation has been referred for consideration, or by the legislature of the State of California (the "State"), or introduced in the Congress or recommended for passage by the President of the United States, or a decision rendered by a court of the United States or the State or by the United States Tax Court, or an order, regulation (final, temporary or proposed) or official statement issued or made:

(i) by or on behalf of the United States Treasury Department, or by or on behalf of the Internal Revenue Service or other federal or State authority, which would have the purpose or effect of changing, directly or indirectly, the federal income tax consequences or State tax consequences of interest on obligations

of the general character of the Bonds in the hands of the holders thereof; or

(ii) by or on behalf of the Securities and Exchange Commission, or any other governmental agency having jurisdiction over the subject matter thereof, to the effect that the Bonds, or obligations of the general character of the Bonds, including any and all underlying arrangements, are not exempt from registration under the Securities Act of 1933, as amended;

(2) the declaration of war or engagement in or material escalation of major military hostilities by the United States or the occurrence of any other national or international emergency or calamity or crisis relating to the effective operation of the government or the financial community in the United States;

(3) the declaration of a general banking moratorium by federal, New York or State authorities having jurisdiction, or the general suspension of trading on any national securities exchange or fixing of minimum or maximum prices for trading or maximum ranges for prices for securities on any national securities exchange, whether by virtue of a determination by that exchange or by order of the Securities and Exchange Commission or any other governmental authority having jurisdiction;

(4) the imposition by the New York Stock Exchange, other national securities exchange, or any governmental authority, of any material restrictions not now in force with respect to the Bonds, or obligations of the general character of the Bonds, or securities generally, or the material increase of any such restrictions now in force, including those relating to the extension of credit by, or the charge to the net capital requirements of, underwriters such as, and including, the Underwriter;

(5) an order, decree or injunction of any court of competent jurisdiction, or order, regulation or official statement by the Securities and Exchange Commission, or any other governmental agency having jurisdiction over the subject matter thereof, issued or made to the effect that the issuance, offering or sale of obligations of the general character of the Bonds, or the issuance, offering or sale of the Bonds, as contemplated hereby or by the Official Statement, is or would be in violation of the Federal securities laws, as amended and then in effect;

(6) any event occurring, or information becoming known which, in the reasonable judgment of the Underwriter, makes untrue in any material adverse respect any statement or information set forth in the Official Statement, or results in an omission to state a material fact required to be stated therein or necessary to make the statements made therein, in light of the circumstances under which they were made, not misleading;

(7) there shall have occurred since the date of this Purchase Contract any materially adverse change in the affairs or financial condition of the District;

(8) a decision by a court of the United States shall be rendered, or a stop order, release, regulation or no-action letter by or on behalf of the Securities and Exchange Commission or any other governmental agency having jurisdiction of the subject matter shall have been issued or made, to the effect that the issuance, offering or sale of the Bonds, including the underlying obligations as contemplated by this Purchase Contract or by the Official Statement, or any document relating to the issuance, offering or sale of the Bonds, is or would be in violation of any provision of the federal securities laws at the Closing, including the Securities Act, the Exchange Act and the Trust Indenture Act;

(9) any state Blue Sky or securities commission, or other governmental agency or body, shall have withheld registration, exemption or clearance of the offering of the Bonds as described herein, or issued a stop order or similar ruling relating thereto;

(10) any amendment shall have been made to the federal or State Constitution or action by any federal or State court, legislative body, regulatory body, or other authority materially adversely affecting the tax status of the District, its property, income securities (or interest thereon) or the validity or enforceability of the levy of taxes to pay principal of and interest on the Bonds;

(11) the purchase of and payment for the Bonds by the Underwriter, or the resale of the Bonds by the Underwriter, on the terms and conditions herein provided shall be prohibited by any applicable law, governmental authority, board, agency or commission; or

(12) there shall have occurred or any notice shall have been given of any downgrade, suspension, withdrawal, or negative change in credit watch status by any national rating service of any of the District's obligations [or any rating of the Insurer].

E. At or prior to the date of the Closing, the Underwriter shall receive the following documents, in each case dated as of the Closing Date (unless otherwise noted below) and satisfactory in form and substance to the Underwriter:

(1) An approving opinion of Bond Counsel as to the validity and tax-exempt status of the Bonds, dated the date of Closing, addressed to the District;

Notice of such cancellation shall be given to the County and the District in writing or by telephone or telecopy, confirmed in writing. Notwithstanding any provision herein to the contrary, the performance of any and all obligations of the District hereunder and the performance of any and all conditions contained herein for the benefit of the Underwriter may be waived by the Underwriter in writing at its sole discretion.

10. Conditions to Obligations of the County and the District. The performance by the County and the District of their respective obligations under this Purchase

Contract is conditioned upon (i) the performance by the Underwriter of its obligations hereunder; and (ii) receipt by the County, the District and by the Underwriter of opinions and certificates being delivered at the Closing by persons and entities other than themselves.

11. **Expenses.** The Bonds are being sold with an original issue premium in order to provide funds to pay costs of issuance thereof, as described in Section 1 above. The Underwriter, on behalf of the District, shall pay any expenses incident to the performance of its obligations hereunder from such retained original issue premium, including but not limited to the following: (i) the fees and disbursements of Bond Counsel and Disclosure Counsel; (ii) the fees of the Financial Advisor, (iii) the cost of the preparation, printing and delivery of the Bonds; (iv) the fees, if any, for Bond ratings and Bond insurance premiums, including all expenses related to obtaining such ratings and bond insurance; (v) the cost of the printing and distribution of the Official Statement; (vi) the fees of the Paying Agent, (vii) the fees of the Dissemination Agent, if any, and (viii) all other fees and expenses incident to the issuance and sale of Bonds. 14. **Execution in Counterparts.** This Purchase Contract may be executed in several counterparts each of which shall be regarded as an original and all of which shall constitute but one and the same document.

Re: \$_____ Little Lake City School District (Los Angeles County,
California) Election of 2000 General Obligation Bonds, Series D (Tax-Exempt)
(Bank Qualified)

Ladies and Gentlemen:

This opinion is rendered and delivered as counsel to the County of Los Angeles (the "County") in connection with the issuance by the Little Lake City School District (the "District") of its Election of 2000 General Obligation Bonds, Series D (Tax-Exempt) (Bank Qualified) in the aggregate principal amount of \$_____ (the "Bonds"). The Bonds are being issued pursuant to a resolution of the Board of Supervisors of the County adopted on _____, 2010 (the "County Resolution"), at the request of the District made pursuant to a resolution adopted by its Board of Education on April 27, 2010 (the "District Resolution").

In rendering this opinion, we have examined the County Resolution, the Bond Purchase Contract dated _____, 2010 (the "Purchase Contract"), by and among the District, the County, and RBC Capital Markets Corporation, as Underwriter and such other documents, records and instruments and made such investigations of law and fact as we have deemed necessary to render the opinions expressed herein.

Based upon the foregoing, and solely with respect to the laws of the State of California (the "State"), we are of the opinion, as of the date hereof, that:

1. The County is a political subdivision duly organized and validly existing pursuant to the Constitution and the laws of the State of California.

2. The County Resolution approving and authorizing the execution, sale and delivery of the Purchase Contract and the issuance of the Bonds was duly adopted at a meeting of the governing body of the County, which was called and held pursuant to law and with all

public notice required by law and at which a quorum was present and acting at the time of adoption, has not been modified, amended, rescinded or revoked and is in full force and effect on the date hereof.

3. To the best of my knowledge, there is no action, suit, proceeding, inquiry or investigation, at law or in equity, before or by any court, governmental agency, public agency or body pending, in which service of process has been completed, or threatened against the County (a) affecting the existence of the County or the titles of its officers who have acted with respect to the proceedings for issuance and sale of the Bonds to their respective offices; (b) seeking to prohibit, restrain or enjoin the execution of the Purchase Contract or the issuance of the Bonds or in any way contesting or affecting the validity or enforceability of the Bonds, the Purchase Contract, or the County Resolution; (c) contesting the powers of the County or its authority to enter into, adopt or perform its obligations under the County Resolution or the Purchase Contract; or (d) seeking to restrain or enjoin the levy or collection of tax revenues pledged for payment of the Bonds.

4. The Purchase Contract has been duly authorized, executed and delivered by the County and the Bonds have been duly authorized by the County, executed by the County on behalf of the District and delivered by the County and, assuming due authorization, execution and delivery by the other parties thereto, the Purchase Contract will constitute the legal, valid and binding agreement of the County enforceable against the County in accordance with its terms.

With respect to the opinions we have expressed above, enforcement of the rights and obligations under the County Resolution, the Purchase Contract and the Bonds may be limited by bankruptcy, insolvency, reorganization, moratorium or other laws affecting the enforcement of creditors' rights generally, by the application of equitable principles if equitable remedies are sought, and by limitations on legal remedies imposed in actions against public entities in the State. We express no opinion as to the availability of equitable remedies in connection with enforcement of the County Resolution, the Purchase Contract or the Bonds.

Very truly yours,

ANDREA SHERIDAN ORDIN
County Counsel

WHEREAS, at this time this Board has determined that it is necessary and desirable to rescind the Prior Resolution, and to request the Board of Supervisors of the County to issue on behalf of the District one or more series of bonds pursuant to the Authorization in an aggregate principal amount not to exceed \$9,000,000 to be styled as the "Little Lake City School District (Los Angeles County, California) Election of 2000 General Obligation Bonds, Series D", or such other designation or designations as are specified in the Purchase Contract for the Bonds (defined below) (the "Bonds") to be issued as taxable or tax-exempt bonds, in any combination of current interest bonds, capital appreciation bonds, or convertible capital appreciation bonds, and to authorize the issuance of all or a portion of the Bonds as Direct-Payment QSC Bonds;

WHEREAS, all acts, conditions and things required by law to be done or performed have been done and performed in strict conformity with the laws authorizing the issuance of general obligation bonds of the District, and the indebtedness of the District, including this proposed issue of Bonds, is within all limits prescribed by law;

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF EDUCATION OF THE LITTLE LAKE CITY SCHOOL DISTRICT AS FOLLOWS:

SECTION 1. Purpose; Authorization. That in order to raise money for the purposes authorized by voters of the District at the Election and to pay all necessary legal, financial and

contingent costs in connection with the issuance of the Bonds, this Board hereby petitions the County Board to authorize the issuance of the Bonds and to order such Bonds sold at a negotiated sale, such that the Bonds shall be dated as of a date to be determined by said County Board, shall bear interest at a rate not to exceed that authorized at the Election, and shall be payable upon such terms and provisions as shall be set forth in the Bonds, and shall be in an aggregate principal amount not to exceed \$9,000,000.

This Board hereby authorizes the issuance of the Bonds as any combination of current interest bonds, capital appreciation bonds, and convertible capital appreciation bonds as set forth in the fully-executed Purchase Contract (defined herein), subject to the provisions of a resolution of the County Board relating to the Bonds (the "County Resolution").

This Board further authorizes the issuance of all or a portion of the Bonds in the aggregate principal amount not-to-exceed \$9,000,000 as Direct-Payment QSC Bonds.

This Board further rescinds the Prior Resolution.

SECTION 2. Paying Agent. This Board does hereby authorize the appointment of the Treasurer and Tax Collector of Los Angeles County as the authenticating agent, bond registrar, transfer agent and paying agent (collectively, the "Paying Agent") for the Bonds. The Treasurer is authorized to contract with any third party to perform the services of Paying Agent under this Resolution. The District acknowledges that ongoing expenses and fees of the Paying Agent and all other fees and costs incurred in connection with the Bonds will be paid by the District.

SECTION 3. Tax Covenants.

(a) With respect to Bonds issued as tax-exempt bonds, the District hereby covenants with the holders of such Bonds that, notwithstanding any other provisions of this Resolution, it will (1) comply with all of the provisions of the County Resolution relating to the Rebate Fund (as defined therein) and perform all acts necessary to be performed by the District in connection therewith, and (2) make no use of the proceeds of the Bonds or of any other amounts, regardless of the source, or of any property or take any action, or refrain from taking any action, that would cause the Bonds to be "arbitrage bonds" within the meaning of Section 148 of the Code.

The District will not make any use of the proceeds of the Bonds or any other funds of the District, or take or omit to take any other action, that would cause the Bonds to be "private activity bonds" within the meaning of Section 141 of the Code or "federally guaranteed" within the meaning of Section 149(b) of the Code. To that end, so long as any Bonds are unpaid, the District, with respect to such proceeds and such other funds, will comply with all requirements of such Sections and all regulations of the United States Department of the Treasury issued thereunder and under Section 103 of the Internal Revenue Code of 1986, as amended, to the extent such requirements are, at the time, applicable and in effect.

The District will not use or permit the use of its facilities or any portion thereof by any person other than a governmental unit as such term is used in Section 141 of the Code, in such manner or to such extent as would result in the loss of exclusion from gross income for federal income tax purposes of the interest paid on the Bonds. In furtherance of the foregoing tax covenants of this Section 3(a), the District covenants that it will comply with the instructions and requirements of that certain Tax Certificate to be executed and delivered by the District on the date of issuance of such

tax-exempt Bonds, which is incorporated herein as if fully set forth herein. These covenants shall survive the payment in full or defeasance of the Bonds.

(b) With respect to Bonds issued as Direct-Payment QSC Bonds, the District covenants that it will comply with the instructions and requirements of that certain Tax Certificate to be executed and delivered by the District on the date of issuance of such Direct Payment QSC Bonds, as applicable.

SECTION 4. Legislative Determinations. This Board determines that all acts and conditions necessary to be performed by the Board or to have been met precedent to and in the issuing of the Bonds in order to make them legal, valid and binding general obligations of the District have been performed and have been met, or will at the time of delivery of the Bonds have been performed and have been met, in regular and due form as required by law; and that no statutory or constitutional limitation of indebtedness or taxation will have been exceeded in the issuance of the Bonds.

SECTION 5. Official Statement. The Preliminary Official Statement relating to the Bonds, substantially in the form on file with the Clerk of the Board, is hereby approved and the Superintendent of the District (the "Superintendent"), the Assistant Superintendent, Business Services of the District (the "Assistant Superintendent") and the Director of Fiscal Services of the District (the "Director of Fiscal Services"), or a designated deputy thereof (each, an "Authorized Officer"), each alone, are hereby authorized and directed, for and in the name and on behalf of the District, to deliver such Preliminary Official Statement to RBC Capital Markets Corporation (the "Underwriter") to be used in connection with the offering and sale of the Bonds. The Authorized Officers each alone, are hereby authorized and directed, for and in the name and on behalf of the District, to deem the Preliminary Official Statement "final" pursuant to 15c2-12 of the Securities Exchange Act of 1934, prior to its distribution and to execute and deliver to the Underwriter, a final Official Statement substantially in the form of the Preliminary Official Statement, with such changes therein, deletions therefrom and modifications thereto as the Authorized Officer executing the same shall approve. The Underwriter is hereby authorized to distribute copies of the Preliminary Official Statement to persons who may be interested in the purchase of the Bonds and is directed to deliver copies of any final Official Statement to the purchasers of the Bonds. Execution of the Official Statement shall conclusively evidence the District's approval of the Official Statement.

SECTION 6. Purchase Contract. The form of the purchase contract for the Bonds (the "Purchase Contract") among the District, the County and the Underwriter on file with the Clerk of the Board is hereby approved. In connection with the sale of the Bonds, the Board authorizes the Authorized Officers, each alone, on behalf of the District, to execute and deliver to the Underwriter a Purchase Contract for the Bonds, with such terms and conditions as may be acceptable to such official; provided, however, that the interest rate on the Bonds shall not exceed that authorized at the Election, the underwriting discount (excluding original discount) shall not exceed 1.0% of the aggregate principal amount of the Bonds issued, and the aggregate principal amount of the Bonds shall not exceed \$9,000,000. The Board hereby approves the sale of the Bonds at a negotiated sale, which is determined to provide more flexibility in the timing of the sale, an ability to implement the sale in a shorter time period, an increased ability to structure the Bonds to fit the needs of particular purchasers, and a greater opportunity for the Underwriter to pre-market the Bonds to potential purchasers prior to the sale, all of which will contribute to the District's goal of achieving the lowest overall cost of funds. The Board estimates that the costs associated with the issuance of the Bonds,

including compensation to the Underwriter and any such costs which the Underwriter agrees to pay pursuant to the Purchase Contract, will equal approximately 4% of the principal amount of the Bonds.

SECTION 7. Direct-Payment QSC Bonds; Subsidy Reimbursement Request. With respect to Bonds issued as Direct-Payment QSC Bonds, the District expects to receive, on or about each semi-annual interest payment date for the Bonds, a cash subsidy payment from the United States Treasury equal to the lesser of (a) the interest payable on such Direct-Payment QSC Bonds on such interest payment date or (b) the amount of interest that would have been payable on such interest payment date under such Direct-Payment QSC Bonds if such interest were determined under at the applicable credit rate determined under Section 54A(b)(3) of the Code. The District hereby directs the Paying Agent, prior to each such interest payment date for the Bonds, to submit or cause to be submitted to the United States Department of the Treasury a subsidy reimbursement request in accordance with applicable Federal regulations. Upon receipt of such subsidy, the District shall deposit or cause to be deposited any such cash subsidy payments into the debt service fund for the Bonds maintained by the County.

SECTION 8. Continuing Disclosure. The District hereby covenants and agrees that it will comply with and carry out all of the provisions of that certain Continuing Disclosure Certificate executed by the District and dated the date of issuance and delivery of the Bonds, as originally executed and as it may be amended from time to time in accordance with the terms thereof. Any Bondholder may take such actions as may be necessary and appropriate, including seeking mandate or specific performance by court order, to cause the District to comply with its obligations under this Section. Noncompliance with this Section shall not result in acceleration of the Bonds.

SECTION 9. Indemnification of the County. The District shall defend, indemnify and hold harmless, to the extent permitted by law, the County and its officers and employees ("Indemnified Parties"), against any and all losses, claims, damages or liabilities, joint or several, to which such Indemnified Parties may become subject because of action or inaction related to the adoption of this resolution, or related to the proceedings for sale, award, issuance and delivery of the Bonds in accordance herewith and with the County Resolution. The District shall also reimburse any such Indemnified Parties for any legal or other expenses incurred in connection with investigating or defending any such claims or actions.

SECTION 10. Authorized Actions. Officers of the Board and District officials and staff are hereby authorized and directed, jointly and severally, to do any and all things and to execute and deliver any and all documents which they may deem necessary or advisable in order to proceed with the issuance of the Bonds and otherwise carry out, give effect to and comply with the terms and intent of this Resolution. Such actions heretofore taken by such officers, officials and staff are hereby ratified, confirmed and approved.

SECTION 11. Professional Services. The District hereby appoints Stradling Yocca Carlson & Rauth, a Professional Corporation, San Francisco, California as Bond Counsel and Disclosure Counsel in connection with the issuance of the Bonds. The District also appoints RBC Capital Markets Corporation, Los Angeles, California, as Underwriter and Keygent LLC, El Segundo, California, as Financial Advisor in connection with the issuance of the Bonds.

SECTION 12. Designation as Qualified Tax-Exempt Obligation. Based on the following representations of the District, the tax-exempt portion of the Bonds are hereby designated as “qualified tax-exempt obligations” within the meaning of Section 265(b)(3) of the Code: (i) the Bonds are not private activity bonds within the meaning of Section 141 of the Code; (ii) the District, together with all of its subordinate entities, has not issued obligations (other than those obligations described in clause (iv) below) in calendar year 2010 the interest on which is excluded from gross income for federal income tax purposes under Section 103 of the Code; (iii) the District reasonably anticipates that it, together with its subordinate entities, will issue during the remainder of calendar year 2010 obligations (other than those obligations described in clause (iv) below) the interest on which is excluded from gross income for federal income tax purposes under to Section 103 of the Code which, when aggregated with all obligations described in clause (ii) above, will not exceed an aggregate principal amount of \$30,000,000; and (iv) notwithstanding clauses (ii) and (iii) above, the District and its subordinate entities may have issued in calendar year 2010 and may continue to issue during the remainder of calendar year 2010 private activity bonds other than qualified 501(c)(3) bonds as defined in Section 145 of the Code.

SECTION 13. Action re Qualified Tax-Exempt Obligation. Appropriate officials or officers of the District are hereby authorized and directed to take such other actions as may be necessary to designate the tax-exempt portion of the Bonds as “qualified tax-exempt obligations,” including, if either deemed necessary or appropriate, placing a legend to such effect on the form of Bonds in such form as either deemed necessary or appropriate.

SECTION 14. Recitals. All the recitals in this Resolution above are true and correct and this Board so finds, determines and represents.

SECTION 14. Effective Date. This Resolution shall take effect immediately upon its passage.
